# What is a Careers Hub?

Careers Hubs bring together schools, colleges, employers, and apprenticeship providers in local areas across England. The goal is to make it easier for schools and colleges to improve how they prepare young people for their next steps.

Careers Hubs drive progress against the Gatsby Benchmarks by enabling schools and colleges and their Careers Leaders to access training and support, and to collaborate in a focussed way, bringing together best practice and local labour market insight.

Hubs offer schools and colleges dedicated support from the local hub team and facilitate partnerships with key employers committed to improving careers across an area.

# Gatsby benchmarks

What are the Gatsby Benchmarks?

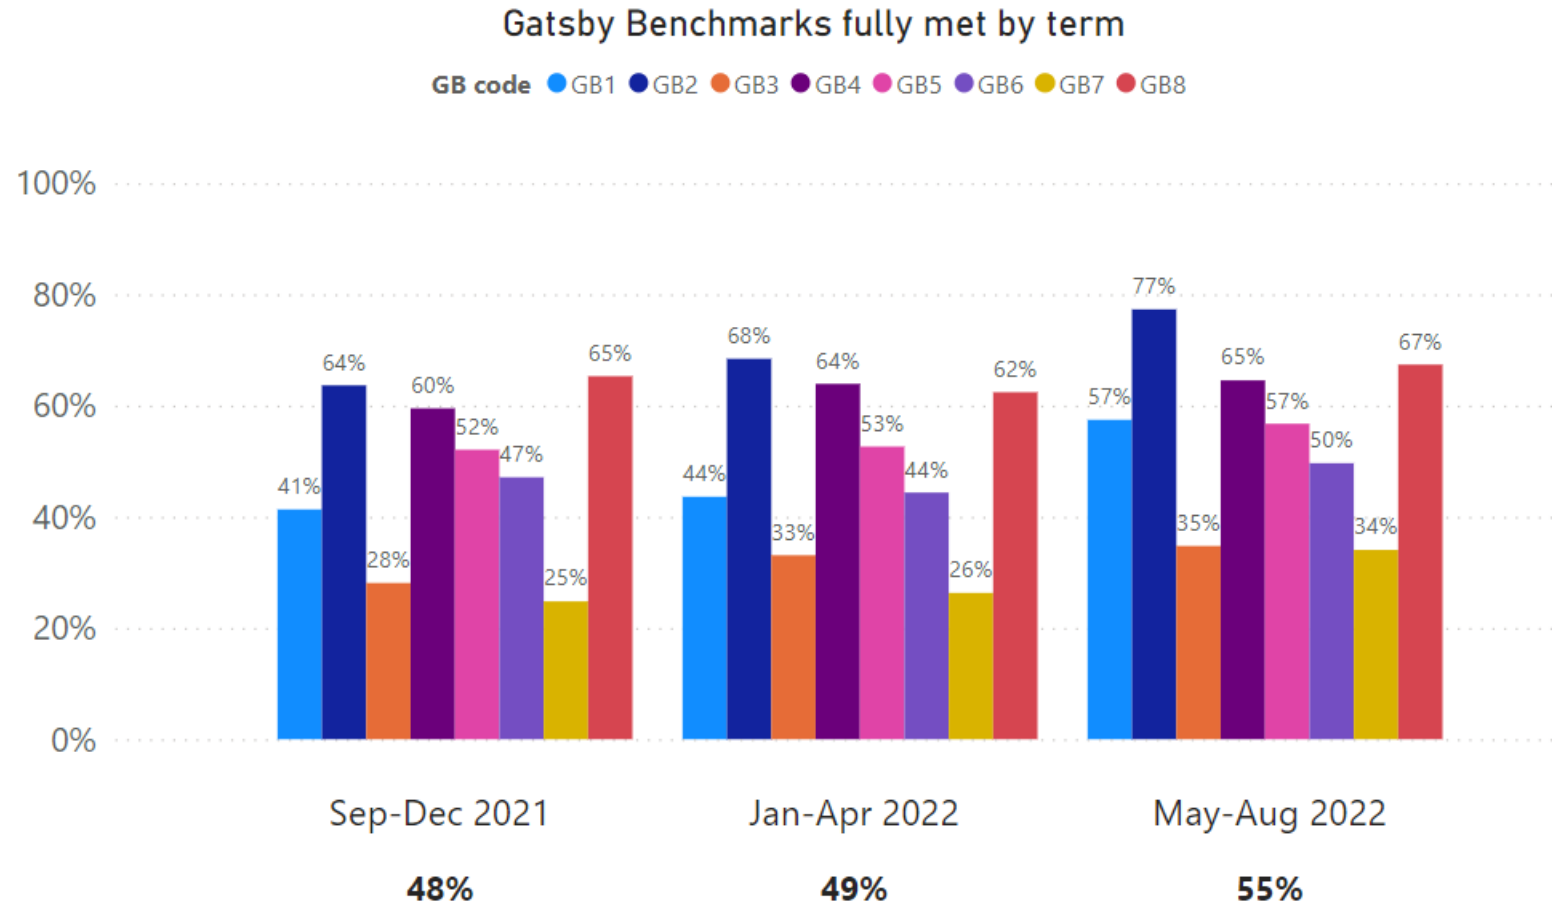

The Gatsby Benchmarks were developed on behalf of the Gatsby Foundation by Sir John Holman. They define what world class careers provision in education looks like and provide a clear framework for organising the careers provision at your school or college.

The benchmarks are enshrined in statutory guidance and as a Careers Leader, it is your responsibility to oversee the implementation of the benchmarks in your education setting.

The 8 Gatsby Benchmarks are:

- A stable careers programme
- Learning from careers and labour market information
- Addressing the needs of each student
- Linking curriculum learning to careers
- Encounters with employers and employees
- Experiences of workplaces
- Encounters with further and higher education
- Personal guidance
