Subject:	Sale of 1.62acres of land, known as Units 1-8, Stamford Court, Casterton Road, Nottingham NG5 5LZ.
Total Value:	See Exempt Appendix attached. (Type: Capital and Revenue)
Decision Being Taken:	1). To declare the 1.62 acres of land known as Units 1-8 Stamford Court, Casterton Road, Nottingham, NG5 5LZ surplus to the Trading Account and make the freehold available for disposal. No alternative operational, regeneration, community or other requirements have been identified (Officer Operational Decision).2) To delegate authority to the Director of Economic Development and Property to agree the method, disposal price and terms for the sale of the freehold interest in this property as set out in the exempt appendix.3). To delegate authority to the Director of Economic Development and Property to enter into any licence, deed or agreement necessary to facilitate the disposal.4). To delegate authority to the Director of Economic Development and Property to appoint via a procurement compliant process, and pay appropriate fees associated with any external resources required to dispose of the subject property to achieve Best Consideration and comply with the Council's adopted Disposals Policy.
Reasons for the Decision(s)	1). In response to the Council's Together for Nottingham Recovery and Improvement Plan Refresh 2022, the Council has commenced a review of premises within the Property Trading Account which could be considered for disposal.2). The property has been reviewed in accordance with the "Asset Rationalisation Programme", and endorsed by the "Asset Rationalisation Board" as being suitable for disposal.3). This disposal supports the Council's Together for Nottingham Recovery and Improvement Plan Refresh 2022, and provides a capital receipt.
Other Options Considered:	1). Do nothing - This option was rejected as the asset is isolated from any immediate Council ownerships, and there is no strategic requirement for its retention.2). Adopt a pro-active Asset Management approach to maximise the potential of the asset. This was rejected as it is unlikely to be an effective and efficient use of resources.
