

SCHOOL ADMISSIONS ARRANGEMENTS CONSULTATION 2024/2025

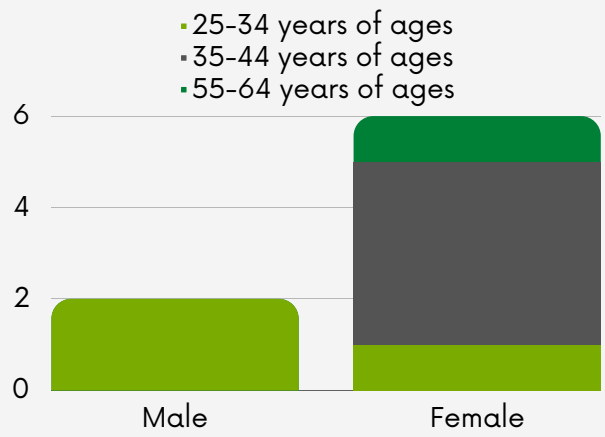

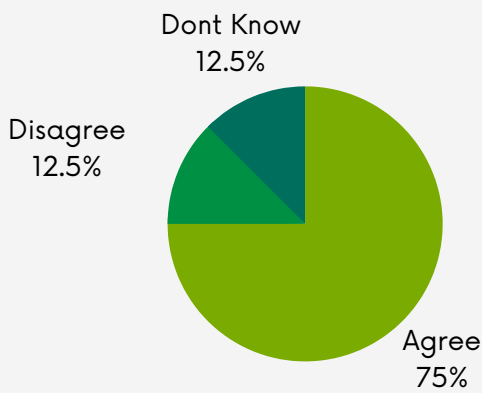

Below are the results from the responses in relation to the proposed admission arrangements for community schools in Nottingham City for the 2024/2025 academic year.

DATES AND METHOD

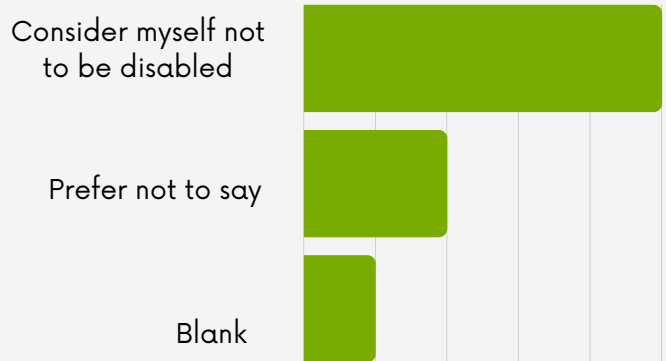

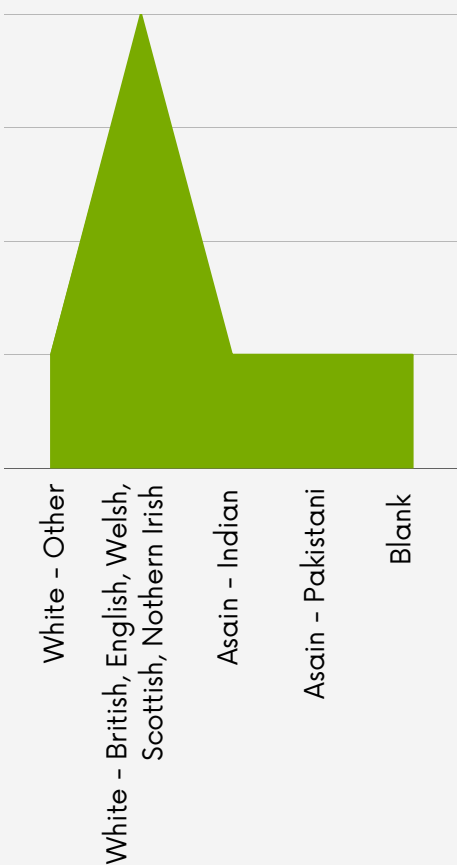

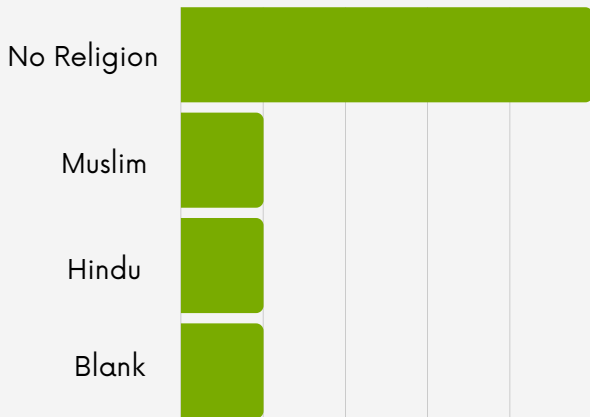

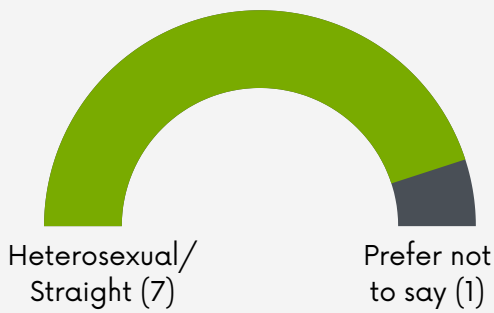

The consultation opened 12th October 2022 and ran until 28th November 2022. The consultation was publicised via the LA's social networks, as well as in schools and early years settings across the area. Neighbouring authorities and other key stakeholders such as trusts and partners in Nottingham were also made aware of this consultation. At the point of closure, the LA had received 8 responses which as detailed below. This met the mandatory requirements of consultation as set out in the School Admissions Code.

RESULTS

Do you agree with the proposed admission arrangements as set out in the consultation report?

Ages and Gender of respondents

FURTHER COMMENTS FROM RESPONDENTS

"It makes sense to take a wider area view to allocate school places as and where they are needed and to avoid over capacity."

"My son has been offered a place but my daughter hasn't but the whole reason for moving my children is because my daughter is the one being bullied."
