#### 1. Summary

1.1 This report introduces the Council's Pay Policy Statement for 2023-24, as required by the Localism Act 2011. The Statement sets out information on pay and conditions for Chief Officers in comparison to the bulk of the workforce employed on 'Local Government Services' (LGS) terms and conditions. The Statement must be annually approved by Full Council before 31 March 2023.

# 2. Recommendations

2.1 To approve the Council's Pay Policy Statement for 2023-24, as attached at Appendix A.

### 3. Reasons for recommendations

3.1 The Pay Policy Statement is a statutory requirement under the Localism Act and is being presented to Full Council in order to demonstrate that decisions on pay and reward packages for Chief Executive and Chief Officers are made in an open and accountable way.

#### 4. Other options considered in making recommendations

4.1 As the production of a Pay Policy Statement is a requirement under the Localism Act, no other options have been considered.

#### 5. Consideration of Risk

- 5.1 None.
- 6. Background (including outcomes of consultation)
- 6.1 The Localism Act requires Local Authorities to prepare and publish an annual Pay Policy Statement.
- 6.2 The Act requires that the statement must be approved formally by Full Council itself, it cannot be delegated to a sub-committee. The statement must be approved and published by the end of March each year and produced using the definitions as prescribed by the Act and the Local Government and Housing Act 1989.
- 6.3 The matters that must be included in the statutory Pay Policy Statement are as follows:
  - The Council's policy on the level and elements of remuneration for Chief Officers;
  - The Council's policy on the remuneration of its lowest-paid employees (together with its definition of 'lowest-paid employees' and its reason for adopting that definition);
  - The Council's policy on the relationship between the remuneration of its Chief Officer and other Officers;
  - The Council's policy on other specific aspects of Chief Officers' remuneration such as remuneration on recruitment, increases and additions to remuneration, use of performance-related pay and bonuses, termination payments, and transparency.
- 6.4 The Act defines remuneration widely, to include not just pay, but also charges, fees, allowances, benefits in kind, increases in enhancements of pension entitlements, and termination payments.
- 6.5 The data for this Pay Policy Statement is taken as at 31 October 2022.
- 6.6 Sections 1, 2, 5 and Appendix 3 of the Pay Policy Statement use retrospective pay information from the period 1 April to 31 October 2022, as in previous years, to ensure consistency and comparability.
- 6.7 The relationship between the Chief Executive's pay (£182,510) to that of the Council's non-Chief Officer average (mean) earner, excluding allowances (£27,696.42), is a pay multiple of 6.59:1, which is a narrower gap from 6.71:1 as reported in last year's (2022/23) pay statement.
- 6.8 The pay multiple of the average (mean) Chief Officer's pay (£87,963.92) to that of the non-Chief Officer average (mean) earner (£28,202.34), including guaranteed payments, is 3.12:1, which is a narrower gap from 3.32:1 as reported in last year's (2022/23) pay statement.

- 6.9 The total sum of additional payments claimed by the Council's Chief Officers from 1 April 2022 to 31 October 2022 was £37,861.29. These related to claims for additional responsibilities, market supplements, meals, mileage, standby payments, landline, parking fees and train fares.
- 6.10 As at 31 October 2022, it was not Council policy to make bonus payments, performance related pay and other pay enhancements such as overtime, weekend, evening, night working, etc. to Chief Officers.
- 6.11 The national pay negotiations for 2022/23, that cover Local Government staff under the National Joint Council (NJC) Local Government Services Green Book Pay and Conditions of Service, were agreed on 1 November 2022, however this pay statement is based on pre-pay award salaries as at 31 October 2022.
- 6.12 The Council committed, in its 2022/23 Pay Policy Statement, that it would, as part of its single status journey, undertake a review to ensure that the grading structure for Chief Executive, Corporate Director and Strategic Director roles was fit for purpose; this has been undertaken and recommendations to move away from 'fixed spot' salaries to a performance assessment led incremental based structure were approved by Executive Board at its meeting on 20 December 2022 and by the Appointment and Conditions of Service Committee at its meeting on 21 November 2022. The scope of this review was expanded to consider critical recruitment and retention difficulties being experienced amongst the wider workforce and further recommendations around expanding the incremental scope for the LGS and SLMG pay scales were also approved. These recommendations are currently progressing through the consultation and negotiation stage with the Council's recognised Trade Unions in anticipation of implementation during 2023/24, subject to final approval of the Council's budget.

#### 7. Finance colleague comments (including implications and value for money)

7.1 The pay figures included in the report are based on data for 2022/23 up to 31 October 2022 adjusted to an annual figure and as referenced in the report do not reflect the pay award agreements made on the 1 November 2022.

#### 8. Legal colleague comments

- 8.1 Under section 38 of the Localism Act 2011, for each financial year, the Council is required to prepare a pay policy statement relating to the following:
  - the remuneration of its chief officers;
  - the remuneration of its lowest-paid employees; and
  - the relationship between:
    - o the remuneration of its chief officers, and
    - o the remuneration of its employees who are not chief officers.
- 8.2 The statement must also set out:
  - the definition of "lowest-paid employees" adopted by the Council for the purposes of the statement; and
  - the authority's reasons for adopting that definition.

- 8.3 The statement must also include the Council's policies relating to:
  - the level and elements of remuneration for each chief officer;
  - remuneration of chief officers on recruitment;
  - increases and additions to remuneration for each chief officer;
  - the use of performance-related pay for chief officers; and
  - the use of bonuses for chief officers.
- 8.4 A pay policy statement for a financial year may also set out the Council's policies for the financial year relating to the other terms and conditions applying to the Council's chief officers.

Under section 39 of the Localism Act 2011, the pay policy statement must be approved by Full Council before it comes into effect. The statement must be approved by 31 March 2023 for the forthcoming financial year.

# 9.3 **HR**

The Pay Policy Statement, is a factual document that sets out key remuneration related data, as at 31 October 2022, for the Council, and fulfils our statutory obligations under the Localism Act 2011. Individual colleagues' names or pay (excluding the Chief Executive's) are not disclosed.

As consultation and negotiation with the Council's trade unions on the proposed changes to the Pay Policy are unlikely to be concluded by the deadline for Full Council submission in February 2023, consideration may have to be given to the possibility of producing a revised Pay Policy Statement, in year, to reflect the changes that will be made.
