**Question to be asked on behalf of DC of the Portfolio Holder for Highways, Transport and Parks at the meeting of the City Council to be held on 6 March 2023**

I welcome that 24/7 travel for citizens with a concessionary mobility pass will remain in place until at least March 2025. However, I believe that more can be done to ensure that all citizens with a mobility pass are aware of its full 24/7 scope. Therefore could the Portfolio Holder with responsibility for transport arrange a promotional and publicity campaign (including the use of the electronic display systems across the bus and tram network) as a matter of urgency enhancing the recent Council press release; ensure that the 24/7 benefits are detailed on the physical application form (they are not on the form reprinted in August 2021); and confirm whether the Medilink bus is part of the scheme and if so, ensure that publicity and systems are up-to-date to reflect this?
