REACT (Non-geographically based)	No data	No data	405			
Total	2225	2724	6645	5280	2950	2453

It is important to note that on occasion, Community Protection Officers are transferred to other locations for short periods of time or for operational reasons. The statistics produced above are those statistics for the Officers based at their normal location but may include alcohol confiscations from other areas such as the City Centre when the Officer has been de-deployed there for a specific operational reason. The statistics therefore are not entirely representative of the alcohol related issues within each location.
