

# Nottingham City Council Delegated Decision

**Nottingham**  
**City Council**

|                                    |  |
|------------------------------------|--|
| <b>Reference Number:</b>           | 4965   |
| <b>Author:</b>                     | Chidi Egenti   |
| <b>Department:</b>                 | Communities, Environment and Resident Services   |
| <b>Contact:</b>                    | Chidi Egenti<br>(Job Title: Streetscene Service Manager, Email: chidi.egenti@nottinghamcity.gov.uk, Phone: 07950945695)  |
| <b>Subject:</b>                    | Street bin replacement Program   |
| <b>Total Value:</b>                | £400,000 over 3 years (May 2023 - May 2026) (Type: Capital and Revenue)  |
| <b>Decision Being Taken:</b>       | 1. To approve the Neighbourhood Bin replacement programme using a combination of Streets for People (291,000) funding and also Service areas' budget (£35,000 per year over 3 years).2. To delegate authority to the Director of Resident Services to undertake appropriate and commercially minded procurement exercise.3. We are proposing to award a year long (2023/2024) one off contract under the ESPO framework to spend the grant funding (£291,000) the following years, we will undertake a similar process to better manage demands and fluctuations in the market for the remaining (£35,000 per year - this will include cost of raw materials and labour) |
| <b>Reasons for the Decision(s)</b> | Some of our current bin stock have come to the end of their shelf life. The Bin replacement Programme will offer Best Value as replacing the end of life bins now means the new bins will serve the Residents of Nottingham for longer and give our City a new refreshed look.The new style 240L bins helps us progress towards CN28 as this will massively reduce the use of plastic bags used in bins as these style of bins do not require the use of bin bags to hold the rubbish.   |
| <b>Briefing notes documents:</b>   | For Information _ steel bin details for information_v2.docx  |
| <b>Other Options Considered:</b>   | Option 1 - Not replace the end of end of shelf life bins - This option has been rejected because these bins are past tehri best and in need of replacement. Some of these bins pose a Health and Safety hazard to residents and staff.Option 2 - Replace the bin with "smart bins"- This option has been rejected because the style will not complement the urban design of our Neighbourhoods and this will not fit in with the Service Operating offer.  |
| <b>Background Papers:</b>          | None   |

**Published Works:**

None

**Affected Wards:**

Aspley, Basford, Berridge, Bestwood, Bilborough, Bulwell, Bulwell Forest, Clifton East, Clifton West, Dales, Hyson Green and Arboretum, Leen Valley, Lenton and Wollaton East, Mapperley, Meadows, Radford, St Ann's, Wollaton West

**EIA not required. Reasons: EIA not required. Reasons: EIA is not required at this stage of proceedings, the tender that will be produced will include the following: - Contractors will need to supply Steel Bins in either a 240L or 120L size that are accessible for wheelchair users and that also**

**comply with the relevant provisions of the Equality Act 2010. Contractors must demonstrate how their Steel bins comply with the requirements of the Equality Act 2010 and provide initiatives they have taken to over the years to help achieve compliance.**

**Decision Type:**

Portfolio Holder

**Subject to Call In:**

Yes

**Call In Expiry date:**

21/06/2023

**Advice Sought:**

Legal, Finance, Procurement

**Legal Advice:** The proposed decision raises no significant legal issues. The use of a framework agreement for the call off of the goods is in accordance with the Council's Contract Procedure Rules and public procurement regulations. Advice provided by Sarah O'Bradaigh (senior solicitor) on 11/05/2023.

**Finance Advice:** The proposed decision raises no financial issues, will be grant funding of £291k and £35k of Budget for 3 years. As it is grant funding, service area need to ensure spending is in adherence to grant regulations. Advice provided by Sohaib Chaudhry (Senior Commercial Business Partner) on 24/05/2023

Advice documents: Financial Comments for Bin Replacement Programme.docx

**Procurement Advice:** Procurement will assist in this exercise to find the most competitive and appropriate solution for the Council. Advice provided by Holly Fisher (Lead Procurement Officer (Products)) on 24/04/2023.
