

## Questions from Citizens

PQ1

**A citizen has asked the following question of the Portfolio Holder for Leisure and Culture at the meeting of the City Council to be held on 15 January 2024**

---

What detailed assessment has the Council conducted of the potential impact of the proposed ending of contributions to the Cultural Sector, particularly in relation to the potential limitations it may impose on the career aspirations of young people and the overall economic and cultural well-being of our community?
