To accept grant funding to deliver the Hotspot Response project	
Reasons for Decision and Background Information	
External grant funding is solely to support functions delivering the Hotspot Response project, being delivered across all LA areas. Accepting these funds will allow NCC to deliver against the Governments ASB taskforce plan

Other option considered is to not except the money. This would mean ceasing the ASB response car which responds to noise nuisance calls in real time. Also, it would mean we are the only local authority in Nottinghamshire not involved in the ASB hotspot response project.
