Additional Items to consider for scheduling

- **Health and Safety / Environmental health annual plan**
To review the performance of our commercial and environmental regulation services including CPOs, Food Hygiene, Licensing and environmental health, the challenges the services are facing and the impact these services have on the Council's revenue budgets
- **Green Space Maintenance**
To review the policy approach to green space maintenance and development of city-wide core offer
- **Protect Agenda**
Consider how Nottingham City is preparing for/implementing new measures, the impact these will have on budgets looking to 26/27
- **CN28 – annual performance against targets**
To review the Council's performance against the pledge to become carbon neutral by 2028 and to consider how these may have changed in response to the Best Value Review.

Reviews:

- **Heat Network Options**
Review agreed at the March 2024 Committee meeting to consider options for the future of the heat network and make any recommendations identified to the Portfolio Holder prior to the formal decision making process.

Informal Briefings:

- **CN28 response to BVR report and update on targets – October 2024**
At the April 2024 the Committee requested an informal briefing on the response to the BVR and on the progress towards the CN28 targets.
