## 1. Summary

- 1.1 The Council's Constitution requires that decisions taken under urgency provisions within the Overview and Scrutiny Procedure Rules (Article 11) and Access to Information Procedure Rules (Article 13) are reported to Full Council.
- 1.2 This report informs Council of decisions that have been taken under these provisions since the last report to Council in September 2024. During that period there have been no decisions taken under the urgency provisions within the Overview and Scrutiny Procedure Rules and no decisions taken under the special urgency provisions within the Access to Information Procedure Rules

## 2. Recommendations

- 2.1 To note that no decisions have been taken under urgency provisions within the Overview and Scrutiny Procedure Rules (Article 11) of the Constitution since the last report to Council.

2.2 To note that no decisions have been taken under the special urgency provisions within the Access to Information Procedure Rules (Article 13) of the Constitution since the last report to Council.

### **3. Reasons for recommendations**

3.1 The Council's Constitution requires that any decisions taken under urgency provisions within the Overview and Scrutiny Procedure Rules (Article 11) and Access to Information Procedure Rules (Article 13) are reported to the next available meeting of Council.

### **4. Other options considered in making recommendations**

4.1 None. It is a Constitutional requirement that Council is informed of any urgent decisions taken under provisions within the Overview and Scrutiny Procedure Rules (Article 11) and Access to Information Procedure Rules (Article 13).

### **5. Consideration of Risk**

5.1 A consideration of risk related to decisions being made takes place at the time the decisions are taken and informs the decision making process that is followed.

### **6. Best Value Considerations**

6.1 Decisions are made in accordance with procedures set out in the Council's Constitution that are designed to support the efficient and effective discharge of Executive functions. These arrangements are regularly reviewed and, where necessary, amendments made

### **7. Background (including outcomes of consultation)**

#### **7.1 Decisions taken under the Call-in and Urgency provisions of the Overview and Scrutiny Procedure Rules**

7.1.1 The call-in procedure set out in Article 11 of the Constitution does not apply where the decision taken is urgent. A decision is urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests. A decision can only be taken under this urgency provision if the Chair of the Corporate Scrutiny Committee (or in the absence of the Chair, the Vice Chair; or in the absence of both, the Chief Executive) agrees that the proposed decision is reasonable in all circumstances and that the reasons for urgency are valid.

7.1.2 Since the last report to Council in September 2024, there have been no decisions taken under these urgency provisions.

#### **7.2 Decisions taken under the Special Urgency provisions of the Access to Information Procedure Rules**

7.2.1 Where it is impracticable to give at least five clear working days notice of the intention to take a Key Decision, that decision may only be made in accordance with the special urgency provisions set out in the Access to Information Procedure Rules (Article 13 of the Constitution). These special urgency provisions require agreement from the Chair of the Corporate Scrutiny Committee (or in the absence of the Chair, the Lord Mayor as Chair of Council; or in the absence of both, the Sheriff as Vice Chair of Council) that the decision is urgent and cannot reasonably be deferred.

7.2.2 There have been no decisions taken under these urgency provisions since April 2023.
