Summary of issues (including benefits to citizens/service users):		
<p>The Council's Constitution requires that decisions taken under urgency provisions within the Overview and Scrutiny Procedure Rules (Article 11) and Access to Information Procedure Rules (Article 13) are reported to Full Council and the Standards and Governance Committee.</p> <p>This report informs the Committee of decisions that have been taken under these provisions since the last report to the Committee in September 2024. During that period there has been one decision taken under urgency provisions within the Overview and Scrutiny Procedure Rules and no decisions taken under the special urgency provisions within the Access to Information Procedure Rules.</p>		
Recommendation(s):		
1	To note that one decision has been taken under urgency provisions within the Overview and Scrutiny Procedure Rules (Article 11) of the Constitution since the last report to the Committee in September 2024, details of which are set out in Appendix A.	
2	To note that no decisions have been taken under the special urgency provisions within the Access to Information Procedure Rules (Article 13) of the Constitution since the last report to the Committee in September 2024.	

1. Reasons for recommendations

1.1 The Council's Constitution requires that decisions taken under urgency provisions within the Overview and Scrutiny Procedure Rules (Article 11) and Access to Information Procedure Rules (Article 13) are reported to the next available meeting of the Standards and Governance Committee.

2. Other options considered in making recommendations

2.1 None. It is a constitutional requirement that the Standards and Governance Committee is informed of approved exemptions from standard decision-making processes including call-in and Executive notices.

3. Consideration of Risk

3.1 Consideration of the risks associated with each of the decisions taken under these provisions was published as part of those decisions.

4. Background (including outcomes of consultation)

4.1 Decisions taken under the Call-in and Urgency provisions of the Overview and Scrutiny Procedure Rules

4.1.1 The call-in procedure set out in Article 11 of the Constitution does not apply where the decision taken is urgent. A decision is urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests. A decision can only be taken under this urgency provision if the Chair of the Corporate Scrutiny Committee (or in the absence of the Chair, the Vice Chair; or in the absence of both, the Chief Executive) agrees that the proposed decision is reasonable in all circumstances and that the reasons for urgency are valid.

4.1.2 Since the last report to the Committee in September 2024, there has been one decision taken under these urgency provisions. A summary of this decision is set out in Appendix A, and the decision is available on the Council's website.

4.2 Decisions taken under the Special Urgency provisions of the Access to Information Procedure Rules

4.2.1 Where it is impractical to give at least five clear working days notice of the intention to take a Key Decision, that decision may only be made in accordance with the special urgency provisions set out in the Access to Information Procedure Rules (Article 13 of the Constitution). These special urgency provisions require agreement from the Chair of the Corporate Scrutiny Committee (or in the absence of the Chair, the Lord Mayor as Chair of Council; or in the absence of both, the Sheriff as Vice Chair of Council) that the decision is urgent and cannot reasonably be deferred.

4.2.2 Since the last report to the Committee in September 2024 there have been no decisions taken under these urgency provisions.

4.3 The agenda of every ordinary Council meeting includes a report informing Council of any decisions taken under these urgency procedures since the previous report. These regular reports evidence trends in the use of urgency procedures.
