A WHOLE HISTORY OF FORWARD THINKING

Dear Ron,

Derby and Nottingham Museums Consortium (DNMC) has been successful in its application to receive Major partner museum funding from Arts Council England at the following levels of funding:

	2015/16	2016/17	2017/18
Total	£854,066	£854,066	£854,066
Derby Museums	£392,931	£387,871	£387,869
Nottingham City Museums and Galleries	£461,135	£466,195	£466,197

Please note the amounts for 2015-2018 are indicative. Arts Council England can only guarantee future instalments of the grant as long as funds are available. The funding offer is conditional, subject to a funding agreement being agreed and provision of a business plan that is satisfactory to Arts Council England covering the 2015–18 funding period.

Yours sincerely,

Sue Jacklin
