1. REASONS FOR RECOMMENDATIONS

Employment and Skills Team.

Nottingham City Council is committed to reducing unemployment in communities. Right Track are being funded to co-ordinate employment and skills activity in the area and to reduce duplication and capacity build smaller organisations to increase the availability of employment support in the area.

2. BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

Right Track has been funded to co-ordinate Employment and Skills activity in the Bulwell & Bulwell Forest Wards. They are expected to appoint the necessary staffing to: engage with

local communities, develop Community Jobs Plans, support recruitment to job opportunities and pre recruitment training, work with partners to develop and deliver bespoke provision relevant to priority groups for that area and work with programme providers to engage/develop local solutions for their client group.

It is anticipated that Right Track will work with other community organisations in the area to avoid unnecessary duplication and ensure best use of funding. Right Track will also be required to operate as part of a connected team of providers linked to the employer hub, to ensure co-ordination, monitoring of performance and quality.

Right Track will:

- Undertake the co-ordination and facilitation of delivery of action plans ensuring that barriers to employment within neighbourhoods are removed and consequently have a direct impact by reducing out of work benefit dependency rates at a local level, with particular emphasis on the Youth Contract.
- Develop with partners, a neighbourhood employment strategy which will be led by the Employment and Skills Officers, i.e. a local jobs plan, embedded within ward actions plans for each ward within the area to be agreed by Area Committee.
- Be actively involved with local schools and supporting the employability for schools agenda
- Be actively involved with local councillors, Area Neighbourhood Committees, and the Neighbourhood Action Teams
