To  
[English local authorities]

Dear Colleagues,

**Grant for supporting disadvantaged children in the early years 2014-15 [DfE  
CSDSD60/2014] [31/2488]**

The purpose of this grant is to provide support to local authorities in England towards expenditure lawfully incurred or to be incurred by them.

Local authorities can spend this one-off grant to (a) prepare for the implementation of the Early Years Pupil Premium; and (b) to provide support to local settings as they set up and deliver integrated working on 2 year old assessment with health practitioners and other key partners such as children's centres. They may, however, choose how to spend the money in order to best meet local need.

From April 2015, all English local authorities will be responsible for paying the Early Years Pupil Premium to early years providers in respect of disadvantaged children in their area. In order to do this as efficiently as possible, they will wish to consider updating their funding and eligibility checking systems to be fully compatible with the EYPP.

In November last year the Government published a report on the benefits of integrated working between health and early years practitioners in providing parents and carers with a more rounded picture of their child's development and needs at age 2. This report is available at [www.gov.uk/government/publications/integrated-review-at-age-2-implementation-study](http://www.gov.uk/government/publications/integrated-review-at-age-2-implementation-study). DfE and DH Ministers expressed their support for integrated working and expect practitioners to offer integrated reviews from September this year. Disadvantaged 2 year olds could particularly benefit from this type of integrated review, and children's centres will often be well placed to support the delivery of these reviews.

Signed by authority of the Secretary of State.

Yours sincerely

Annie Crombie  
Deputy Director, Early Years and Childcare
