Author (assigned to Covalent): Not Applicable

Director: David Bishop

Strategic Budget EIA Y/N (please underline)

Brief description of proposal / policy / service being assessed:

The Schools Accessibility Programme will improve accessibility for pupils with disabilities and / or special educational needs.

Information used to analyse the effects on equality:

This programme of works to improve disability access is driven by needs data collected regarding the children in consultation with their support staff, health care professionals and the school.

	Could particularly benefit X	May adversely impact X	How different groups could be affected (Summary of impacts)	Details of actions to reduce negative or increase positive impact (or why action isn't possible)
People from different ethnic groups.	<input type="checkbox"/>	<input type="checkbox"/>	<p>All works will be compliant under the Equality Act 2010 and any proposals are discussed with the City Council Access Officer as required.</p> <p>The scheme will be designed to meet the needs of the Child and improve the accessibility of the School for future use. The proposals promote integration and cohesion.</p> <p>The scheme is being procured via the East Midlands Property Alliance (EMPA) framework, managed by SCAPE. No adverse impacts are anticipated.</p>	<p>All works will be compliant under the Equality Act 2010. The proposal meets the Authorities requirement to promote equal opportunity under the Act.</p> <p>The majority of the works will be programmed to be completed during school holiday periods and structured phasing of the work will ensure any disturbance to either pupils and staff will be kept to a minimum.</p> <p>SCAPE commits to "Investing in Communities"</p> <ul style="list-style-type: none"> • 80% of our services and the services of our partners are delivered locally. • We operate an employment and skills plan for every project • We engage with local businesses to ensure re-investment of capital is maximised". <p>SCAPE's regional frameworks are</p>

/issue more adversely affected or which benefits.

procured following a 2 stage Official Journal of the European Union (OJEU) process, with all documentaiton and contracts provided for clients to use. Each framework partner has been appointed following competitive tendering to ensure they provide exceptional value for money.

There are no barriers to who can approach the main contractors as part of the supply chain. SCAPE also runs meet the buyer days where companies can actively approach main contractors to become part of the supply chain. A proportion of which are envisaged to be Small and Medium-sized Enterprises (SME).

Outcome(s) of equality impact assessment:

- No major change needed •Adjust the policy/proposal •Adverse impact but continue
- Stop and remove the policy/proposal

Arrangements for future monitoring of equality impact of this proposal / policy / service:

The scheme will be monitored by the Child's support staff, the Project Surveyors and the Local Authority. In addition, any issues will be raised to the Project Manager on an ad hoc basis to be resolved. Once the works are complete a practical completion assessment will be completed to detect any issues to be resolved, followed by 12 months defect period. SCAPE's commitment to investing in the local community will also be monitored.
