The reports provide summary updates on the key themes including:</p> <ul style="list-style-type: none"> • Ward priorities • Community engagement • Finance • Safer theme - Crime and anti social behaviour (ASB) • Neighbourhood theme – Cleansing and Environmental issues • Working theme - Unemployment rates <p>The following brief summary by the respective Ward NDO highlights the key issues:</p>		

Bulwell Ward – Suki Shergill Neighbourhood Development Officer

Recent successes include :-

1. River Leen Clean Up (Days of Action event) – A successful partnership event led by Neighbourhood Management was held to clean the River Leen. Partners involved included Community Protection, Bestwood Partnership, Schools, Councillors, Bulwell Bogs group volunteers and We Love Bulwell Town team. A new bin was installed to prevent future littering. This event received positive feedback from residents and its success lay in how well the partners worked together to improve Bulwell.
2. In response to the rise of Domestic Abuse in the ward, Bulwell is setting up a group to respond to the issues and the first planning meeting has been held to establish aims and objectives for the group.
3. Bulwell has employed a town Centre coordinator who will focus on regeneration and improvements to the town centre.
4. Bulwell held a successful Arts Festival from the 4th July to the 18th July which offered a variety of activities and activities for all ages.

Emerging issues include:-

1. Fly Tipping has continued to be a problem and is being addresses through neighbourhood initiatives.

The issues which the neighbourhood Action team is focusing on include:-

1. Reducing fly tipping and littering.
2. Improve Youth provision in the Bulwell Riverside.
3. Addressing domestic violence issues.

The figures given below show some key statistical points for this quarter:-

1. All crime year to date 14/15 at 460 has risen by 109 to 569. This is at 23.7%.
2. Anti Social Behaviour year to date 14/15 at 375 has dropped by 19 to 356. This is at - 5.1%.

Bulwell Forest Ward – Celia Knight Neighbourhood Development Officer

Recent successes include:-

- Southglade ParkLive was a large event on Southglade Park on July 30th funded jointly by Bulwell Forest and Bestwood councillors. Over 60 organisations were involved on the day with activities including a climbing wall, have a go tennis and golf, fun bikes, bouncy castle, face painting, skatejam etc. Amongst the activities, various organisations promoted their services e.g. Women's Aid, Economic Development Team, some community centres, children's centre.
- The new moss machine purchased with funding approved by Area Committee is having a positive effect on areas which have had a slippery surface for a long time eg the sheltered housing complex at Chatham Court was one of the first areas to benefit during a clean up of the area recently.

Emerging issues include;-

- Reports of commercial and domestic flytipping with no evidence to be able to prosecute the offenders so far has been an issue in recent weeks

The issues which the Neighbourhood Action Team is focusing on include;-

- All the agencies involved with the Neighbourhood Action Team are working together to tackle the issues of both flytipping and nuisance bikes. This resolve was strengthened by two recent incidents – one involving a flytip containing asbestos by the children's playground on Bulwell Forest and the other during Southglade ParkLive when a motorbike riding around the event where there were large numbers of children running around nearly caused an accident.

The figures given below show some key statistical points for this quarter

- The total for all crime in Bulwell Forest Ward has fallen from 357 to 311 compared to the same period last year.
- There has been an increase in the number of violent crimes from 79 to 106 during this same period
- There has been a decrease in the number of burglaries to dwellings, theft and anti social behaviour compared to last year.

The number of deliberate fires has dropped significantly from the high number this time last year – a reduction from 28 to 10.

Recommendation(s):

- 1 Area Committee notes and comments on the Ward Performance Reports.

1. REASONS FOR RECOMMENDATIONS

- 1.1 Ward performance reports provide a descriptive and statistical picture of what is happening at a ward level and invite community representatives to comment, debate, and challenge and identify how they can add value to improve their neighbourhoods.
- 1.2 Ward performance reports also monitor progress in the wards and act as a catalyst for debate about the key performance issues impacting upon the ward on a quarterly basis.

2. BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

- 2.1 Neighbourhood Working has been important for a number of years in Nottingham as a means of engaging better with citizens and to drive forward service improvement.
- 2.2 The Nottingham Plan has a goal that 'public service delivery will be better integrated and appropriately devolved, ensuring more accessible and responsive services for all and giving residents more control over what happens in their neighbourhoods'; the Ward Performance reports help to support this.

- 2.3 The Ward Performance Reports captures work at a local level to support the Nottingham Plan; it is a short summary of key updates on priorities and issues in the ward. More detailed implementation plans sit behind the report such as the Ward Action Plan, Neighbourhood Action Team's Action Log, Crime Drug Partnership (CDP) plans and other partner's implementation plans.
- 2.4 The Ward Performance Reports are co-ordinated by Neighbourhood Development Officers every quarter, with the data analysis undertaken by the CDP.
- 2.5 The Locality Boards were disbanded at the end of 2014 and a city wide meeting has now been established to replace this.
