The Health and Wellbeing Board are in the process of developing their next Health and Wellbeing Strategy. Engagement activities will be taking place in October and November to inform the development of the priorities. This report sets out the engagement strategy and seeks the support of the Area Committees in promoting the engagement events.		
Recommendation(s):		
1	That the Area Committee notes the report and promotes the various events/ activities amongst citizens within their area	

1. REASONS FOR RECOMMENDATIONS

- 1.1 The Health and Wellbeing Board want to engage with as many citizens and interest groups as possible to inform their next strategy. It is hoped that the Area Committees could increase the reach of the engagement activity by supporting and promoting the planned engagement activity.

2. **BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)**

2.1 The Health and Wellbeing Board (HWB) are currently developing their next health and wellbeing strategy with the aim that it will be signed off in June 2016. The HWB recently approved the engagement strategy for the development of the next Health and Wellbeing Strategy¹. In summary, engagement will be wide ranging with the aim of finding what is important to people in relation to health and wellbeing and the approach is broadly divided into two phases:

Phase 1: Engagement - Opportunity for everyone to input their thoughts about health and wellbeing. The information from this phase will be analysed and fed into the development of the initial draft of the new Health & Wellbeing Strategy. This will take place during October and November 2015.

Phase 2: Consultation on the draft Health & Wellbeing Strategy

2.2 The intention is engage with as many citizens, interest groups and front-line workers/ practitioners as possible. The engagement strategy was developed based on the outcomes of a citizen focus group and the approaches to be adopted are outlined below:

Target Group	Methodology
Interest Groups	<ul style="list-style-type: none">• Existing meetings and networks – depending on available time on the agenda the session will either be a focus group exercise or sign-posting to larger public events and the offer to use a toolkit for groups to run their own sessions and submit the results. A timetable of existing events has been created.• Existing events – world café/ pop up research approach• On-line survey and toolkit
Citizens	<ul style="list-style-type: none">• 3 bespoke events across the city – focus groups (see dates below)• On-line survey
Workforce	<ul style="list-style-type: none">• Focus groups made up of staff from across partner agencies and Community and Voluntary Sector

2.3 The public events are scheduled to take place:

Clifton Cornerstone	Tuesday 3 November	1pm-3pm
Council House Ballroom	Wednesday 4 November	:45pm-6:45pm
Bulwell Riverside	Monday 9 November	5.15pm-7.15pm

2.4 If you would like to attend one of the events please register on-line here <http://www.nottinghamcity.gov.uk/HappierHealthierLives> or phone 0115 87 64 336.

2.5 Since the public events will take place before the Area Committee meeting it is recommended that Councillors promote the events within their areas as soon as possible. Appendix A provides an E Flyer for this purpose. It is also recommended that Councillors promote the toolkit (which allows groups to run their own engagement session) and the on-line survey which provide other ways for citizens and interest groups to have their views heard. The on-line survey and engagement toolkit are available here: <http://www.nottinghamcity.gov.uk/HappierHealthierLives>.
