

Happier Healthier Lives: Have Your Say

Developing the City's next Health and Wellbeing Strategy

We want to hear your views on how to make Nottingham a happier and healthier place to live.

Many factors affect our health and wellbeing including:

- Education and employment opportunities
- Where we live and the quality of our housing
- Access to green spaces and leisure facilities
- Lifestyle factors like smoking, diet and physical activity
- Environmental factors like air pollution

The Nottingham City Health and Wellbeing Board want to hear about what is important to you and how we can all work together to make Nottingham a happier and healthier city. Your views will help inform the next Health and Wellbeing Strategy.

We are hosting three citizen engagement events:
