Integrated care - Supporting older people		<input checked="" type="checkbox"/>
Early Intervention - Improving mental health		<input checked="" type="checkbox"/>
Changing culture and systems - Priority Families		<input type="checkbox"/>
Summary of issues (including benefits to citizens/service users and contribution to improving health & wellbeing and reducing inequalities):		
This paper presents the final draft Joint Health and Wellbeing Strategy for consideration by the Board. The Strategy's overarching aim is to increase healthy life expectancy and reduce inequalities across the city.		
Recommendation(s):		
1	Approve the final draft for consultation with partners, providers and stakeholders.	
2	Note the next steps and timetable.	

How will these recommendations champion mental health and wellbeing in line with the Health and Wellbeing Board aspiration to give equal value to mental health and physical health ('parity of esteem'): This remains a core element of the strategy.

1. REASONS FOR RECOMMENDATIONS

1.1 The proposed final draft strategy has been developed based on evidence from the Joint Strategic Needs Assessment (JSNA) and the findings from significant engagement with citizens, partners and stakeholders.

2. BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

2.1 A proposed strategic framework was agreed by the Board in January. The framework was developed based upon the engagement findings¹ and the evidence from the JSNA². The draft strategy is based around four key outcomes:

- ***Adults, children & young people in Nottingham adopt and maintain Healthy Lifestyles***
- ***Adults, children & young people in Nottingham will have positive Mental Wellbeing & those with long term mental health problems will have good physical health***
- ***There will be a Healthy Culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health***
- ***Nottingham's Environment will be sustainable; supporting and enabling its citizens to have good health and wellbeing***

2.2 In developing the strategy, lead officers have been identified for each of the priority actions who will be responsible for developing the content of the detailed action plans. A Board level sponsor and Consultant in Public Health has also been identified who has provided an overall steer regarding content, advice on performance indicators and help to remove any barriers/ blockages.

2.3 Four workshops were held throughout April to review the content of the action plans as they currently stand with the aim of presenting final detailed plans back to the Board in September.

CURRENT POSITION

2.5 The content of the strategy is based on the strategic framework previously agreed. An additional priority action, however, has been added following one of the workshops. The following has been added under the Healthy Culture outcome: *Reduce the harmful effects of **debt** and financial difficulty on health and wellbeing*. The evidence and views from the public consultation present a compelling argument for its inclusion (subject to the Board's agreement).

2.6 Appendix A presents the final draft for the Board's consideration. The strategy's aim is to increase healthy life expectancy and tackle inequities. Two corresponding headline targets are outlined in the strategy and you will notice that each of the four outcomes includes a number of broad priority actions. The strategy is intended to be high level and a detailed action plan will sit behind each of the four outcomes. A set of sub-indicators/targets will be developed and included in the action plans to help monitor

¹ The engagement results report can be found here: <http://www.nottinghamcity.gov.uk/hwb>.

² The JSNA Evidence Summary can be found here: <http://jsna.nottinghamcity.gov.uk/insight/Strategic-Framework/Nottingham-JSNA/Related-documents/Executive-summary.aspx>

progress against achieving the overall outcome. It is proposed that the detailed action plans are refreshed annually to ensure that they remain relevant.

- 2.7 The draft strategy in appendix A is intended for use amongst partners and a more public facing summary can be developed once approved. The detailed action plans are intended for internal use only. **It is recommended that the Board approve the final draft of the strategy.**

NEXT STEPS

- 2.8 The March Health and Wellbeing Board agreed the following **timetable**:

- June – Consultation on the final draft strategy
- July – Final Strategy presented to the Board for approval
- Sep – Detailed action plans presented to the Board for approval

- 2.9 Subject to agreement by the Board the Strategy will be consulted upon in June with partners, stakeholder and the public with a revised strategy presented to the Board in July. During this time the Nottinghamshire Sustainable Transformation Plan (STP) will also be submitted by the end of June and provide an opportunity to make sure that the Health and Wellbeing Strategy is aligned.

3. OTHER OPTIONS CONSIDERED IN MAKING RECOMMENDATIONS

- 3.1 None.

4. FINANCE COMMENTS (INCLUDING IMPLICATIONS AND VALUE FOR MONEY/VAT)

- 4.1 None.

5. LEGAL AND PROCUREMENT COMMENTS (INCLUDING RISK MANAGEMENT ISSUES, AND LEGAL CRIME AND DISORDER ACT AND PROCUREMENT IMPLICATIONS)

- 5.1 None.

6. EQUALITY IMPACT ASSESSMENT

- 6.1 Has the equality impact of the proposals in this report been assessed?

No

An EIA is not required because:
(Please explain why an EIA is not necessary)

Yes

Attached as Appendix x, and due regard will be given to any implications identified in it.

7. LIST OF BACKGROUND PAPERS OTHER THAN PUBLISHED WORKS OR THOSE DISCLOSING CONFIDENTIAL OR EXEMPT INFORMATION

- 7.1 None.

8. **PUBLISHED DOCUMENTS REFERRED TO IN COMPILING THIS REPORT**

8.1 None.
