Subject:	Sale of the (Former) Beechdale Swimming Centre site, Beechdale Road, Nottingham, NG8 3LL
Total Value:	Provided in the exempt appendix. (Type: Capital)
Decision Being Taken:	Director of Strategic Assets and Property to approve the sale of the (former) Beechdale Swimming Centre, on terms as set out in the exempt appendix to this report.
Reasons for the Decision(s)	<p>Executive Board approved the 'Harvey Hadden Leisure Centre Development Project', 22 May 2012; this paper included the decision to dispose of the Beechdale Swimming Centre, and delegated authority to the Director of Strategic Assets and Property to agree terms.</p> <p>Following the opening of the improved Harvey Hadden Leisure Centre, Beechdale Swimming Centre became surplus to the Council's operational requirements. Innes England undertook a full marketing campaign on behalf of the Council with 11 offers being received for the freehold interest in the site.</p> <p>Property and the marketing agents, Innes England, have analysed the highest of those offers received; the recommendations of this paper are based on the outcome of that analysis and feedback from Planning in respect of the development proposals put forward.</p>

Other Options Considered:	Not to sell on the terms included in the exempt appendix. This is not recommended; not to sell to the proposed purchaser on the terms included in the exempt appendix would constitute accepting less than best consideration for this property interest, which is not acceptable in accordance with the Local Government Act 1972.

The public interest in maintaining the exemption outweighs the public interest in disclosing the information because disclosure of the offer and assumptions in relation to abnormal development costs could prejudice the Council's position in maximising the return on the sale of this site.

Advice Sought:	Legal, Finance, Property, Other: Rob Percival(Rob.percival@nottinghamcity.gov.uk)
Legal Advice:	This report does not give rise to any significant legal implications. Legal Services will draft the conditional sale agreement to reflect the proposed terms. Advice provided by Rebecca Beecroft (Solicitor) on 04/05/2016.
Finance Advice:	The net capital receipt generated from the sale will be used to fund the costs of demolition as detailed in a separate Delegated Decision. The balance of sale proceeds will be used to support the Council's capital programme. Advice provided by Georgina Lewis (Finance Analyst) on 04/05/2016.

Other Advice: As part of their offer, the recommended purchaser has submitted an indicative site layout for planning comment. This has not been tested for accuracy and site constraints but assessed on an informal basis. The approach appears to be broadly acceptable and the most promising of those seen from the bidding process in terms of responding to the site and its context. Acceptability is ultimately dependent on approval of a planning application but the indicative layout would suggest that the scheme is worthy of developing to a detailed level and pursuing to the application stage. Advice provided by Rob Percival (Area Planning Manager) on 17/05/16.

Property Advice: As a report of Property- Disposals and Development, no further Property advice is required. Advice provided by Emma Wilcock (Estates Surveyor) on 21/04/2016.
