

Equality Impact Assessment Form

Name and brief description of proposal / policy / service being assessed

City Centre Time and Place Plan – a coordinated policy for the City Centre, considering spatial implications as well as time implications. The plan includes a proposal for the Old Market Square and surrounds as a family friendly area, and also considers premises licensing and night time perception of safety. One of the aims of the plan is to make the City Centre more accessible and easy to use for everyone.

	Could particularly benefit (X)	May adversely impact (X)	How different groups could be affected: Summary of impacts	Details of actions to reduce negative or increase positive impact (or why action not possible)
People from different ethnic groups	X <input type="checkbox"/>	<input type="checkbox"/>	<p>The plan includes proposals to create a more family friendly area in the City Centre and to discourage 'standing bars' as they encourage an atmosphere of fear and a perception of personal safety issues in some parts of the City Centre. It uses the concepts of quarters to delineate areas of different character and activities. This is intended to benefit everyone but particularly those who feel unsafe or who feel that the City Centre 'is not for them'. It should also enable the easier management of these issues.</p> <p>The plan does not include detailed proposals but sets the context for further detail to be worked up at a later stage.</p>	<p>Details will be provided at later stages of implementation</p>
