

<b>OVERVIEW AND SCRUTINY COMMITTEE</b>
<b>7 DECEMBER 2016</b>
<b>WORK PROGRAMME 2016/17</b>
<b>REPORT OF THE CORPORATE DIRECTOR FOR STRATEGY AND RESOURCES</b>

1. **Purpose**

To consider and set the overall programme and timetable for scrutiny activity for the forthcoming year.

2. **Action required**

The Committee is asked to

- 2.1 note the items scheduled on the work programme for the Overview and Scrutiny Committee and Scrutiny Review Panels for 2016/17.

3. **Background information**

- 3.1 One of the main roles of the Overview and Scrutiny Committee is setting, managing and co-ordinating the overall programme of scrutiny work.

This includes:

- mapping out an initial programme for scrutiny at the start of the municipal year
- monitoring progress against the programme throughout the year, and making amendments as required
- evaluating the impact of scrutiny activity and using lessons learnt to inform future decisions about scrutiny activity.

- 3.4 In setting the programme for scrutiny activity, the Committee should aim for an outcome-focused work programme that has clear priorities and is matched against the resources available to deliver the programme. It is intended to hold fewer, but more in depth reviews which will enable panels to explore and challenge more.

Commissioning scrutiny reviews

- 3.5 Delivery of the programme will primarily be through the commissioning of time-limited (2 to 3 meetings maximum) review panels to carry out reviews into specific, focused topics. All reviews must have the potential to make a positive impact on improving the wellbeing of local communities and people who live and/or work in Nottingham; and to ensure resources are used to their full potential, reviews must have a clear and tight focus and be set a realistic but challenging timetable for their completion.

- 3.6 In setting the programme of scrutiny reviews, it is important that the programme has flexibility to incorporate unplanned scrutiny work

requested in-year. However, the Committee will only be able to schedule unplanned work after it has reassessed priorities across the scrutiny programme and considered the impact on existing reviews of the diversion of resources. When the Committee monitors the overall programme for scrutiny at each meeting there will be opportunity to do this.

- 3.7 The Committee held a workshop session in March 2016 and identified a number of areas for consideration during 2016/17. These topics have been identified and are listed in Appendix 1 to this report.
- 3.8 When establishing a review panel, the Committee needs to decide on:
- a clear and tight remit for the review
  - a timescale within which the review should be carried out
  - size of review panel, including whether any co-opted members should be involved
  - chair of the review panel (to be appointed from the pool of five scrutiny chairs)
- and should have regard to the need over the year to engage as many councillors as possible in the scrutiny process.

#### Policy briefings

- 3.9 Through the process of developing the programme for scrutiny, the Committee may identify issues which call for a policy briefing. The purpose of these briefings is to inform councillors about a current key issue or to prepare councillors for review work that has been commissioned. These informal briefings will not be occasions for scrutiny to be carried out, although they may result in a suggestion for a new scrutiny topic, which would need to be considered by this Committee against the current programme for scrutiny and available resource.
- 3.10 Policy briefings will not form part of the Overview and Scrutiny Committee's agenda but will be held separately and be open to all councillors to attend.

#### Monitoring programme for scrutiny

- 3.11 On an ongoing basis the Committee will be responsible for managing and co-ordinating the programme for scrutiny and assessing the impact of scrutiny activity. At all future meetings the Committee will monitor the progress of the programme, making amendments as appropriate.
