## Reason for requesting the decision be called in

The request for call-in must be based on one or more of the following reasons below. [Tick the appropriate box or boxes and provide details for the reason, appending additional sheets if necessary]

## Reason for requesting call-in:

a) The decision is outside the budget/ policy framework

The forecasts included do not provide explanation for where any shortfall will be met in the event that letting targets for the redeveloped site are not met.

## Reason for requesting call-in:

b) Inadequate consultation relating to the decision

There has been insufficient consultation with library users, local interest groups and given the library is used by residents on a city wide basis councillors as a whole.

## Reason for requesting call-in:

c) Relevant information not considered

Plans have not yet been finalised for either an interim service whilst the redevelopment is in progress and there is insufficient information available for whether a replacement site will be included in the redeveloped site or what contingency is in place if the provision in the redeveloped site is unsuitable.

There is no plan finalised for the clearing and storage of the archive records at the library. There needs be a proper containment plan in place to ensure these are fully catalogued and stored to ensure they are not lost as part of the site's redevelopment. This should be finalised before the current occupancy of the building ceases following any sale of the building.

#### Reason for requesting call-in:

d) Viable alternatives not considered

#### Reason for requesting call-in:

e) Justification for the decision open to challenge on the basis of evidence considered

There documentation accompanying the decision does not consider or analyse the impact of alternative/existing Grade A commercial property on

| the projections for occupancy of the develope  | d site. |  |

# **Governance Manager Validation check**

# Call-in reasons - Approval of the Disposal of the Angel Row Site

- 1. The call-in request is in time, in writing, signed by the requisite number of councillors and identifies reasons for the call-in, as required under the call-in procedure.
- 2. The call-in is also valid in that the decision is not one exempted from call-in under the call-in procedure rules and is a relevant decision for call-in under those rules.
- 3. In terms of the reasons for call-in, I am satisfied that the request is valid in respect of reasons b) Inadequate consultation relating to the decision, c)
  Relevant information not considered, and e) Justification for the decision open to challenge on the basis of evidence considered.
- 4. In terms of reason a) The decision is outside the budget/ policy framework, this is considered an invalid reason for call-in because the decision falls within the budget and policy framework as outlined in the Constitution.
