

HEALTH AND WELLBEING BOARD

25 JANUARY 2017

	Report for Information
Title:	Nottingham City Safeguarding Adults Board (NCSAB) Annual Report 2015/16
Lead Board Member(s):	Councillor Norris
Author and contact details for further information:	Louisa Butt, Board Manager, NCSAB louisa.butt@nottinghamcity.gov.uk and Malcolm Dillon, Independent Chair, NCSAB
Brief summary:	<p>The Care Act 2015 made Safeguarding Adults Boards (SAB) statutory for the first time. The key function of the SAB is to assure itself that local safeguarding arrangements and partners act to help and protect adults in its area who meet the criteria (also set out in the Care Act).</p> <p>It is a statutory duty that the SAB publish a strategic action plan and publish an annual report outlining how it met the objectives in the strategic plan.</p> <p>This report therefore sets out how the Nottingham City Safeguarding Adults Board performed against its annual plan in 2015/16 including the contribution made by partnership agencies to safeguarding arrangements in Nottingham City.</p>

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- consider the Nottingham City Safeguarding Adults Board Annual Report 2015/16;
- identify any issues arising from the Annual Report that will be built into the Strategic Commissioning Plan formulated by the Health and Wellbeing Board; and
- consider any issues arising from the Annual Report and provide any comment and feedback to the Adult Safeguarding Board.

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The overarching purpose of the Nottingham City Safeguarding Adults Board is to be assured that partners across the City are working together effectively to help and protect adults experiencing, or at risk of abuse or neglect.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in	

Nottingham adopt and maintain healthy lifestyles	For agencies, individually and in partnership, to achieve good outcomes for citizens as a result of safeguarding activity, is an essential element of health, wellbeing and safety.
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health

Two of the NCSAB's priorities in 2015/16 (outlined in the report) related to early intervention and reducing the impact of loneliness both of which will contribute to better mental health and wellbeing outcomes.

In 2015/16 the NCSAB's annual plan also ensured that the Care Act was implemented across the partnership. The Care Act places emphasis on promoting wellbeing, which is broadly defined.

Background papers:

Documents which disclose important facts or matters on which the decision has been based and have been relied on to a material extent in preparing the decision. This does not include any published works e.g. previous Board reports or any exempt documents.
