

<b>OVERVIEW AND SCRUTINY COMMITTEE</b>
<b>14 JUNE 2017</b>
<b>WORK PROGRAMME</b>
<b>REPORT OF HEAD OF LEGAL AND GOVERNANCE</b>

**1    Purpose**

- 1.1 To consider the Committee's work programme for 2017/18.

**2    Action required**

- 2.1 To note the work that is currently planned for the remainder of the 2017/18 municipal year, and make amendments to the programme as appropriate;
- 2.2 to consider the request to add an item to the work programme, detailed in paragraph 3.4 below.

**3    Background information**

- 3.1 The Committee is responsible for setting and managing its own work programme.
- 3.2 In setting a programme for scrutiny activity, the Committee should aim for an outcome-focused work programme that has clear priorities and a clear link to its roles and responsibilities. The work programme needs to be flexible so that issues which arise as the year progresses can be considered appropriately.
- 3.3 Where there are a number of potential items that could be scrutinised in a given year, consideration of what represents the highest priority or area of risk will assist with work programme planning. Changes and/or additions to the work programme will need to take account of the resources available to the Committee.
- 3.4 There has been a request from a citizen for the Committee to review the implementation of the Remourban Project which covers energy efficiency and energy innovation works to 366 council homes. Further information on the project can be found here:
