Subject:	NCC CCTV Control Room upgrade
Total Value:	Exempt (Type: Capital)
Decision Being Taken:	<ol style="list-style-type: none">1. To approve a tendering exercise, via Doncaster MBC's CCTV framework agreement, to upgrade the Council's CCTV control room from analogue to digital.2. To delegate authority to the Director of Community Protection to award the contract to the successful bidder.
Reasons for the Decision(s)	<p>Our current control system is a Synetics analogue system, the industry is currently moving from analogue to IP and it is forecast that this will lead to a difficulty in getting replacement analogue equipment within the next five years.</p> <p>The move to a digital platform, over a longer term, will be more efficient and therefore mean a reduction in running costs/maintenance. It is proposed that the purchase would be paid for using the existng capital asset replacement reserve.</p>
Briefing notes documents:	DDM Briefing Note.docx
Other Options Considered:	Continue with the current arrangements - option dismissed as the current system is obsolete, replacement parts cannot be obtained and, over the next 5 years, it is anticipated that the existing cameras would need to be replaced.
Background Papers:	None.

Colleague / Councillor Interests:	None.
Any Information Exempt from publication:	Yes
Exempt Information:	
Description of what is exempt:	Financial information.
	An appendix (or appendices) to this decision is exempt from publication under the following paragraph(s) of Schedule 12A of the Local Government Act 1972
3 - Information relating to the financial or business affairs of any particular person (including the authority holding that information).	The public interest in maintaining the exemption outweighs the public interest in disclosing the information because it would harm the Council's bargaining position to publicise the budget prior to completion of the tendering exercise.
Documents exempt from publication:	CCTV Upgrade financial comment.docx
Consultations:	Those not consulted are not directly affected by the decision.
Crime and Disorder Implications:	An improved CCTV system across the City, with the ability to share images with the Police and other enforcement agencies, means that we can work in partnership to improve the safety of the citizens we serve and visitors to the City.
Equality:	EIA not required. Reasons: Decision will not result in new or changing policies.
