Recommendation(s):

1. To approve the main areas of activity identified within the NCC Commissioning Priorities Plan (Enclosure 1) and the NCC and CCG Joint Commissioning Plan (Enclosure 2)

1 REASONS FOR RECOMMENDATIONS

1.1 Agreement of the commissioning priorities for 2017/18 will establish the work programme for the City Council and the CCG and enable resources to be allocated effectively.

2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

2.1 Discussions have taken place with relevant partners in relation to the commissioning priorities for 2017/18. These were based on consideration of citizen outcomes, policy and legislative requirements, contractual issues, budgetary issues, time since last review, partnership priorities and deliverability. The plans will form the basis for the allocation and prioritisation of resources for the forthcoming year in order to deliver improved outcomes for Nottingham citizens, transformational change and systemic efficiencies.

2.2 This plan identifies NCC priorities and our combined priorities across health and social care provision and will underpin the work of the Commissioning Executive Group and the Health and Wellbeing Board.

2.3 As a result of this engagement and prioritisation process, commissioning activity for the coming year has been aligned as far as possible with the outcomes and priority areas identified within the Health and Wellbeing Strategy.

2.4 All reviews contribute to meeting the outcomes identified within the Health and Wellbeing Strategy and have therefore been allocated to the most relevant outcome in the appendices.

2.5 The attached plans identify activity undertaken by NCC Commissioners only (Enclosure 1) and activity that is being undertaken jointly by NCC and CCG Commissioners (Enclosure 2)

2.6 In addition to the activity identified in the plans, it is recognised that all partners will have additional priorities and 'business as usual' that will also require resource allocation.

3 OTHER OPTIONS CONSIDERED IN MAKING RECOMMENDATIONS

3.1 Other options for commissioning priorities may have been considered as part of early discussions with partners. Where these have been rejected it would be on the basis of application of the following considerations:

- Outcomes for children, adults and families
- Financial factors
- Policy Framework
- Contractual issues
- Time since last review
- Partnership priorities
- Deliverability

4 FINANCE COMMENTS (INCLUDING IMPLICATIONS AND VALUE FOR MONEY/VAT)

- 4.1 The finances associated with each area of work have not been identified within the overall plans as an in-depth analysis of spend and potential efficiencies will be undertaken for each area of activity and brought to the Commissioning and Procurement Sub Committee when appropriate.

5 LEGAL AND PROCUREMENT COMMENTS (INCLUDING RISK MANAGEMENT ISSUES, AND INCLUDING LEGAL, CRIME AND DISORDER ACT AND PROCUREMENT IMPLICATIONS)

- 5.1 This report does not raise any significant legal issues and any Crime and Disorder Act implications arising from the recommendations in this report are positive

6 STRATEGIC ASSETS & PROPERTY COMMENTS (FOR DECISIONS RELATING TO ALL PROPERTY ASSETS AND ASSOCIATED INFRASTRUCTURE (STRATEGIC REGENERATION COMMITTEE REPORTS ONLY)

- 6.1 This report has no implications in relation to property assets or associated infrastructure at this stage.

7 SOCIAL VALUE CONSIDERATIONS

- 7.1 As part of the co-productive engagement process integral to each commissioning review, consideration will be given to how the services being commissioned could improve the economic, social and environmental wellbeing in Nottingham. By virtue of the type of services being commissioned, social improvements are expected to be delivered, particularly for those receiving services, but also economic improvements are expected with regard to the terms under which service providers employ their staff. Such considerations will support compliance with Public Services (Social Value) Act 2012 and this will be embedded in any procurement process

8 REGARD TO THE NHS CONSTITUTION

- 8.1 Local authorities have a statutory duty to have regard to the NHS Constitution when exercising their public health functions under the NHS Act 2006. In making commissioning decisions relating to public health functions, we have properly considered the NHS Constitution where applicable and have taken into account how it can be applied in order to commission services to improve the health of the local community

9 EQUALITY IMPACT ASSESSMENT (EIA)

- 9.1 Has the equality impact of the proposals in this report been assessed?

No

An EIA is not required because: this report does not relate to any new service provision.
