Brief summary:	This report provides an update on the Nottingham and Nottinghamshire STP.

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- a) note the update on the Nottingham and Nottinghamshire Sustainability and Transformation Partnership published in July 2017; and
- b) note the requirements of the Accountable Care System Memorandum of Understanding for Nottingham and Nottinghamshire.

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The Health and Wellbeing Strategy aims and outcomes are key components of the STP.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health

The Update to the STP includes an additional section on how the plan addressed the needs of people with mental health needs and acknowledge that physical and mental health are equally important and inter-dependent.
