### **Recommendation to the Health and Wellbeing Board:**

The Health and Wellbeing Board is asked to:

- a) note the progress made for each review in support of the aims of the Health and Wellbeing Strategy.

<b>Contribution to Joint Health and Wellbeing Strategy:</b>	
<b>Health and Wellbeing Strategy aims and outcomes</b>	<b>Summary of contribution to the Strategy</b>
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The Commissioning Reviews undertaken address most of the aims and outcomes within the Health and Wellbeing Strategy.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	The appendices attached align each review with the appropriate outcome.
Outcome 1: Children and adults in Nottingham adopt and maintain healthy	

<b>lifestyles</b>	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

**How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health**

There is a Commissioning Review dedicated to improving community based accommodation and support for citizens with mental health needs.
