	Report for Resolution/ Report for Information
Title:	Nottingham City Safeguarding Adults Board Annual Report 2016/17
Lead Board Member(s):	Councillor McDonald, Portfolio Holder for Adults and Health Helen Jones, Director for Adult Social Care
Author and contact details for further information:	Louisa Butt, Board Manager, Nottingham City Safeguarding Adults Board Malcolm Dillon, Independent Chair, Nottingham City Safeguarding Adults Board
Brief summary:	<p>The Care Act 2015 made Safeguarding Adults Boards (SAB) statutory for the first time. The key function of the SAB is to assure itself that local safeguarding arrangements and partners act to help and protect adults in its area who meet the criteria (also set out in the Care Act).</p> <p>It is a statutory duty that the SAB publish a strategic action plan and publish an annual report outlining how it met the objectives in the strategic plan.</p> <p>This report therefore sets out how the Nottingham City Safeguarding Adults Board performed against its annual plan in 2016/17 including the contribution made by partnership agencies to safeguarding arrangements in Nottingham City.</p>

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- a. consider the Nottingham City Safeguarding Adults Board Annual Report 2016/17;
- b. identify any issues arising from the Annual Report that will be built into the Strategic Commissioning Plan formulated by the Health and Wellbeing Board; and
- c. consider any issues arising from the Annual Report and provide any comment and feedback to the Adult Safeguarding Board.

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The overarching purpose of the Nottingham City Safeguarding Adults Board is to be assured that partners across the City are working together effectively to help and protect adults experiencing, or at risk of
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest	

levels of healthy life expectancy	<p>abuse or neglect.</p> <p>For agencies, individually and in partnership, to achieve good outcomes for citizens as a result of safeguarding activity, is an essential element of health, wellbeing and safety.</p>
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

<p>How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health</p>	
<p>Through 'Making Safeguarding Personal' the Board seeks to achieve:</p> <ul style="list-style-type: none"> • A personalised approach that enables safeguarding to be done with, not to, people • Practice that focuses on achieving meaningful improvement to people's circumstances rather than just on 'investigation' and 'conclusion' <p>In the current year's plan, the Board is seeking to identify ways in which reducing social isolation can also reduce safeguarding risks.</p>
