

HEALTH AND WELLBEING BOARD

29 NOVEMBER 2017

	Report for Information
Title:	Nottingham City Pharmaceutical Needs Assessment (PNA) Consultation
Lead Board Member(s):	Alison Challenger, Director of Public Health
Author and contact details for further information:	Claire Novak, Insight Specialist Public Health claire.novak@nottinghamcity.gov.uk
Brief summary:	The Nottingham City Pharmaceutical Needs Assessment (PNA) is a document and statutory function of the Health and Wellbeing Board. It outlines pharmaceutical services and ensures they meet the needs of the population. This report provides an update on progress, in particular the formal consultation period that is now live.

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- a) note the City Pharmaceutical Needs Assessment consultation period;
- b) respond as organisations to the City Pharmaceutical Needs Assessment consultation; and
- c) distribute the consultation within their respective organisations to colleagues, patients, clients or service users.

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The Pharmaceutical Needs Assessment is a statutory responsibility and directly informs Health and Wellbeing Strategy development and commissioning.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	Its contribution cuts across the strategic aims and outcomes in the Health and Wellbeing Strategy.
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and	

<p>manage ill health well</p> <p>Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing</p>	
--	--

How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health

The PNA considers the pharmaceutical need of the population of Nottingham City by Care Delivery Group areas. It also considers groups who have a greater burden of disease and are likely to have higher need for pharmaceutical services. This includes people with long term conditions, including mental health problems.

<p>Background papers: <i>Documents which disclose important facts or matters on which the decision has been based and have been relied on to a material extent in preparing the decision. This does not include any published works e.g. previous Board reports or any exempt documents.</i></p>	None
