Employment & Skills

As a result of last years research with ourselves and NTU it was decided to restructure our employment provision. Each provider now focuses on one ward within area 6, which will provide continuity for service users:-

Renewal Trust

St Ann's

City College

Sneinton

Metropolitan

Mapperley

Employment & Skills

Our employment and skills providers have:-

- Facilitated 423 job clubs
- Provided 806 1:1 support sessions
- Supported 2 job fairs
- Helped 90 people into paid employment
- Assisted 37 people to access training

Community Cohesion

MCO and Stonebridge continue to offer “spaces” for various groups to meet, such as brownies, Muslim Heritage, Gambian Welfare, creative children sessions (music and art) as well as working with local partners SSBC, Framework and Faith in Families.

Our providers have hosted community events, open days and activities for local people as well as bringing new visitors to the area. As well as providing special event days, such as bonfire night and Halloween events.

Excellent offer of volunteering opportunities.

CLN offer advice and guidance to the community as well as signposting to relevant services such as employment and training support.
