Brief summary:	<p>The Nottingham City Pharmaceutical Needs Assessment (PNA) is a document and statutory function of the Health and Wellbeing Board. It outlines pharmaceutical services and ensures they meet the needs of the population. This report presents the final draft and requests the Board's approval. The revised PNA must be published by 1 April 2018.</p> <p>The PNA Executive Summary is attached. A full copy of the PNA has been circulated to Board members separately and a hard copy will be available at the meeting.</p>

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- a) approve the revised Nottingham City Pharmaceutical Needs Assessment 2018.

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	<p>The Pharmaceutical Needs Assessment is a statutory responsibility and directly informs Health and Wellbeing Strategy development and commissioning.</p> <p>Its contribution cuts across the strategic aims and outcomes in the Health and Wellbeing Strategy.</p>
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and	

manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health
The PNA considers the pharmaceutical need of the population of Nottingham City by Care Delivery Group areas. It also considers groups who have a greater burden of disease and are likely to have higher need for pharmaceutical services. This includes people with long term conditions, including mental health problems.
