- 2.1 The Committee is asked to use the information provided at the meeting by the Portfolio Holder for Adult Social Care and Health to inform questioning and review performance.

3 Background information

- 3.1 On 9 November 2015 the Council Plan was formally approved by Full Council and this guides the Council's services and approach to support the delivery of its key priorities for the City over the subsequent four years to 2019. The local authority is currently in the last year of the Plan.
- 3.2 Overview and scrutiny has a role in scrutinising performance and progress against the Council Plan and therefore a programme of sessions with Portfolio Holders has been established. The majority of these sessions are carried out by the Overview and Scrutiny Committee but the Health Scrutiny Committee leads on scrutiny of issues within the remit of the Portfolio Holder for Adult Social Care and Health.
- 3.3 Councillor Sam Webster has been the Portfolio Holder for Adult Social Care and Health since May 2018. He will be attending the meeting to discuss progress against Council Plan objectives within the remit of his Portfolio and performance and future plans for the Portfolio.
