<b>Brief summary:</b>	Attached is the Annual Report of the Nottingham City Safeguarding Children Board (NCSCB) Annual Report 2017/18 for consideration by the Board.

### **Recommendation to the Health and Wellbeing Board:**

The Health and Wellbeing Board is asked to:

- a) note the Nottingham City Safeguarding Children Board Annual Report 2017/18

### **Contribution to Joint Health and Wellbeing Strategy:**

<b>Health and Wellbeing Strategy aims and outcomes</b>	<b>Summary of contribution to the Strategy</b>
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	<p>"Was Not Brought". The safeguarding partnership has led a change in culture nationally with regard to DNA appointments. This has continued to have been one of the most successful campaigns led by the NCSCB in recent years receiving national and international recognition and has been viewed in excess of 40,000 times across a variety of platforms and it was been shortlisted for a national safeguarding award. It has been adopted by many safeguarding boards and partnerships across the UK and has gained traction with mental health and dental services.</p> <p>Missing Appointments Matter- NCSCB and NHS Nottingham City Clinical Commissioning Group have commissioned a video animation, which was co-produced, aimed at citizens to encourage them to attend medical appointments, and to take children and adults they care for to their appointments. The animation is aimed at raising awareness about the consequences of missing appointments and to ensure that</p>
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

	children and adults get the medical care that they need.
