Brief summary:	<p>This report provides progress to date on the Commissioning Priorities for Nottingham City Council and the joint Commissioning Priorities for Nottingham City Council (NCC) and Nottingham City Clinical Commissioning Group (CCG) for 2018-19. Some of the reviews started in 2017/18 have been categorised as 'continuing'. These Commissioning Priorities formed the basis of the work programme for both organisations last year.</p> <p>The progress of each review, including impact where this can be evidenced, is detailed in Appendix 1, (NCC Commissioning Plan 2018-19) and Appendix 2, (NCC and CCG Commissioning Plan 2018-19). The report shows progress on the process of undertaking each review and has taken into consideration each of the following key aims:</p> <ul style="list-style-type: none">• Improving outcomes and choice for adults, families and children• Improving service provision• Promoting prevention and early intervention where possible• Reducing cost where appropriate <p>Whilst in many cases improved outcomes for adults, families and children cannot be identified within a short time period, there are a number of reviews where some improvements can be evidenced.</p> <p>In-depth progress reports on individual reviews are presented to the Health and Wellbeing Board on a regular basis.</p>

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- a) Note the progress made in relation to last year's Strategic Commissioning Priorities

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The contribution made to each of the aims and outcomes is detailed in the appendices
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health

There is a specific piece of work linked to this area that is detailed in the appendices
