<b>Summary of issues (including benefits to citizens/service users):</b>		
This report focuses on current priorities and issues facing the three wards within the area and gives details of forthcoming events and activities. It also highlights the latest issues being addressed through regular Neighbourhood Action Team meetings.		
<b>Recommendation(s):</b>		
<b>1</b>	To note the progress on Ward Priorities and other supporting information, including the issues being addressed by each Neighbourhood Action Team, and upcoming opportunities for citizens to engage (Appendices 1-3).	

## **1 REASONS FOR RECOMMENDATIONS**

- 1.1 Each ward has agreed priorities that link to the Council's current ambitions contained in the latest City Council Plan 2015-19. Actions for each priority are developed and led by appropriate service teams and partnerships. These priorities are updated for each Area Committee, taking into account discussions at Neighbourhood Action Team (NAT) meetings and various groups and activities involving councillors, residents, and local groups.
- 1.2 The events and activities detailed in the report take account of the work undertaken by Neighbourhood Development Officers (NDOs), with partner organisations, within the wards. It shows a range of activity in place across neighbourhoods to improve social cohesion and tackle priorities at a ward and area level.

## **2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)**

- 2.1 Each ward manages a set of priorities and key issues through regular meetings of the NAT. These meetings are led by the NDOs and supported by core partners, including Nottingham City Homes NCH, Neighbourhood Policing, Community Protection, Early Help, City Services/Waste Management, Fire and Rescue Services, Employment and Skills, and Health.
- 2.2 Ward Councillors are also invited to participate in these meetings.
- 2.3 Ward Priorities are identified through a range of sources, including citizens, councillors, partners and officers, and current issues will be updated for each Area Committee.
- 2.4 Area Committee Chairs will be invited to review the latest Ward Reports to ensure that the format is accessible for councillors and community representatives, and that there is sufficient consistency across all areas.
- 2.5 The current individual Ward Priorities, Key Issues and Opportunities for Engagement for Aspley, Bilborough and Leen Valley are shown in Appendices 1, 2 and 3 respectively, and will be updated for each Area Committee meeting.
