

Appendix 1 – Bilborough Ward Report

Safer Nottingham

Priority	Progress since last area committee (February 2019)	Lead
Reduce Crime/Anti-social Behaviour and Violence	<ul style="list-style-type: none"> • All Crime decrease -7.2% year to date • Violence against the person increase +34%, these are mainly public order or harassment offences • Robbery reduced -50% • Burglary reduced -54% • Theft reduced -39% • Arson and criminal damage reduced -23% • ASB reduced -39.8% • Current issues are around the Co-op, Bracebridge Drive – working to get a CCTV camera there. In the meantime, there are increased patrols. A number of individuals have been identified who are responsible for ASB and shop thefts. 	Police
Reduce accidental fires, especially within the elderly community by working with older people	<ul style="list-style-type: none"> • There were three dwelling fires in Bilborough in March/April. One tumble dryer, one electrical socket and one a discarded cigarette. • NFRS are waiting delivery of a tool for prevention of house fires. This is a Bingo game aimed at elderly persons. This will be used in Bilborough on 4 June during the Week of Action. • NFRS have identified concerns that homeowners and those who rent privately may have inadequate smoke alarm provision. Door knocking to be carried out in Bilborough during the week of action commencing June 3rd. • NFRS has been sharing across social media networks to promote smoke alarm ownership and fire safety in the home within our own areas. • Fire Service have been promoting 'Charlie' through posters and business cards, with NCH and at the Bilborough NAT meeting, and pens will be shared during the Week of Action. Charlie is a person/profile identified as 	Community Protection / Fire Service /NCH / NMT / Councillors

	<p>most likely to die in a fire. He is male, older, lives alone, has mental health issues, etc.</p> <ul style="list-style-type: none"> LIONs containers are small containers in which individuals put medical details and keep in the fridge, with sticker by the front door, to alert emergency services. Councillors and NMT to distribute at events.

Families Nottingham

Priority	Progress since last area committee	Lead
Revise methods to delivering services for Children and Young People living within the Bilborough Ward	<ul style="list-style-type: none"> • The Harvey Haddon youth sessions are well attended by local children and young people and membership is increasing every week. On average, there are 35 children and young people attend the session age 5-15. The sessions mix art craft, sport, life skills, healthy eating and targeted projects stay safe, positive relationships, growing up, conflict management for teenagers and making friends. • The library staff have reported a noticeable increased attendance at their sessions and improved behaviour and they believe this is due to the play session and the work delivered. • The attendance at these sessions represents the diverse local community. 	Early Help / Bilborough Youth Network
Promote the welfare reform services in the ward	<ul style="list-style-type: none"> • Weekly Welfare Advice sessions offering advice and guidance sessions on finance and debt management are held in Bilborough Library and Medical Centre. These sessions are promoted by the NAT team and at events in the ward. 	Welfare Rights / NCH / NAT

Priority	Progress since last area committee	Lead
Promote Harvey Hadden Sports Village to the residents to increase attendance	<ul style="list-style-type: none"> To support residents' fitness and health and also to increase physical activity including cycling and walking projects, the NAT promote the Get Out and Get Active project and Harvey Haddon Sports Village. The 'Get Out and Get Active' project has engaged 538 participants with a NG8 postcode into activity, both within Harvey Hadden Sports Village activities and other leisure centres or community venues. 98 of these participants stated that they had either a disability or long-term health condition. 	NAT partners / leisure services
Reduce Cardio-Vascular Disease and raise awareness of lifestyle risk factors	<ul style="list-style-type: none"> Continue to raise awareness through events and publicity and at medical practices and surgeries in the area. Raise awareness at community events in the ward. 	Health Officer
Raise awareness about cancer screening	<ul style="list-style-type: none"> Continue to raise awareness through events and publicity and at medical practices and surgeries in the area. Also raise awareness at community events in the ward. 	Health Officer
Support activities and services for the elderly to remain independent, fit, healthy and combat loneliness and isolation	<ul style="list-style-type: none"> The lead organisation, Groundwork, are carrying out events in the ward to for older people to raise awareness of what is on offer in the ward. There is a new project being set up to look further at raising awareness of provision in the area and increasing volunteering to help ensure sustainability of provision. 	Groundworks Nottingham

Priority	Progress since last area committee	Lead
Promote employment and training support to assist residents into work through improved partnership working initiatives	<ul style="list-style-type: none"> Promote IT courses for young people and adults at the Bilborough Library. Work Club at Bilborough Library is a successful job club with a number of regular and new clients most week, they continue to advertise this and the session is a drop in so anyone can attend. 	<p>NCC – Employment and Skills</p> <p>Groundwork and NAT Partners</p>
