Summary of issues (including benefits to citizens/service users):		
This report provides Area Committee with :-		
<input type="checkbox"/> Latest spend proposals under the Area Capital Fund including highways and footways		
<input type="checkbox"/> Latest spend proposals regarding Public Realm schemes		
Recommendation(s):		
1	That the prioritised Area Capital and public realm schemes for Bestwood, Bulwell and Bulwell Forest, as set out below, are approved.	

1 REASONS FOR RECOMMENDATIONS

- 1.1 The Nottingham LTP 2011-2026 maintains a commitment to deliver local transport improvements across Nottingham's Neighbourhoods and prioritises small scale transport. improvements of importance to local communities.
- 1.2 As part of the budget process Nottingham City Council approved at the Executive Board meeting on 19 February 2019 an LTP capital allocation of £1.25 million citywide between 2019 -20 was approved. At the same meeting a citywide allocation of General Fund Element (public realm) of £750,000 was agreed.

- 1.3 To give opportunity for the Area Committee to make comments on suggested schemes and their progress.

2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

- 2.1 The Area Capital Programme was established in 2006 to improve the environment of the neighbourhoods and to create a sense of place for residents in order to improve the quality of life of local people.
- 2.2 Resources are allocated from the Nottingham City Council general fund, the Local Transport Plan (LTP) and from the Housing revenue Account. To achieve a joint approach to environmental improvements in neighbourhoods, a greater degree of flexibility has been established to prioritise and deliver improvements so that there is a synergy in local solutions for local issues across neighbourhoods.
- 2.3 The programme of works is a rolling programme. There have been instances where schemes are started, with strong community involvement and interest, only to be altered at a later stage due to changing circumstances such as economic conditions and changes in land values.
- 2.4 The Area Committee, particularly community representatives, are invited to comment specifically on those schemes identified in the proposals column and also to consider whether certain schemes can be linked to other programmes of work in order to generate best value and create a greater impact on the local area.

3 OTHER OPTIONS CONSIDERED IN MAKING RECOMMENDATIONS

- 3.1 None

4 FINANCE COLLEAGUE COMMENTS (INCLUDING IMPLICATIONS AND VALUE FOR MONEY/VAT)

- 4.1 Bringing together the various strands which form part of the Area Capital Programme enables the City Council to respond efficiently in delivering on public realm improvements as identified by local people.

5 LEGAL AND PROCUREMENT COLLEAGUE COMMENTS (INCLUDING RISK MANAGEMENT ISSUES, AND LEGAL, CRIME AND DISORDER ACT AND PROCUREMENT IMPLICATIONS)

- 5.1 A risk register has been produced which is regularly monitored.

6 STRATEGIC ASSETS & PROPERTY COLLEAGUE COMMENTS (FOR DECISION RELATING TO ALL PROPERTY ASSETS AND ASSOCIATED INFRASTRUCTURE) (AREA COMMITTEE REPORTS ONLY)

- 6.1 None

7 EQUALITY IMPACT ASSESSMENT

- 7.1 Has the equality impact of the proposals in this report been assessed?

No
