

St Ann's Ward Report Appendix 3

Neighbourhood Nottingham

Priority (NAT, Cllrs)	Progress since last area committee (12 th March 2019)	Lead
Tackle levels of fly tip, bins on street, dog fouling	<ul style="list-style-type: none"> • Litter Bins-Cllrs, NDO & Neighbourhood Operations Manager. Review on street bins in the Ward, additions are funded from Ward Cllr Budget. Bins moved or removed if needed. Litter and Fly tips hotspot are identified monthly. Early next year the NAT team are looking to audit the areas of most concern and putting concentrated efforts to educate and enforce where necessary. • Pete's Shop opp. Alison Walk and Truman Close, have ongoing issues of rubbish and litter that pedestrians throw into the adjacent gardens. NCH Environmental have a scheme to install 5 ft wooden fencing to the row of maisonettes along the Truman Close properties to assist with the ongoing litter issues into gardens and to give these properties some privacy. Police have warranted another Dispersal Order for this area. This is twice since the end of June. NAT team are monitoring issues and implementing tasks to tackle ongoing issues in this area with the relevant partners. The fencing is still scheduled to be erected. Problems of litter and the congregation of people around this area continues. In the past three month police have issued another dispersal order. 	NDO, NCH, SCPO, NOM and NAT
Tackle Illegal and inconsiderate parking across the Ward, prioritising areas for a short and longer-term action.	<ul style="list-style-type: none"> • Parking Enforcement patrols regular hotspot areas in the Ward and a report is submitted to every NAT meeting. Hotspots areas reviewed regularly on monthly basis. Latest reports have been submitted from residents regarding the illegal use of visitors parking permits. Lamartine and parts of Abbotsford Drive have 	Cllrs / Traffic Enforcement/ Traffic Management

	<p>been identified as key areas.</p> <ul style="list-style-type: none"> St Anns Traffic Audit is now well underway Flewitt Gardens and Abbotsford Drive Schemes are now complete. Phase 4 – Cranmer St and surrounding areas to include Alma and Olga Road and Mapperley’s two additional streets. Consultation is well underway. This is the last of the agreed zones. However, concentration will be given to individual roads and streets that fall outside of the zones. This phase is part of the works in the Ward to combat any displacement parking and progress with the planned St Anns Traffic Audit agreed in 2016. 	
Ensure the views of local residents assist in priority setting through regular consultation i.e. Public Meetings Ward Walks etc.	<ul style="list-style-type: none"> Cllrs and NAT partners regularly attend Ward Walks Cllrs and NAT partners regularly attend Tea & Cake Public Meetings Cllrs twice weekly Surgeries 	NDO, Cllrs and NAT members

Working Nottingham

Priority (Area Committee Priority and Area Cluster)	Progress since last area committee (12 th March 2019)	Lead
Area 6 employment support	Community Recording Studio (CRS) - As part of the Nottingham Works programme CRS are delivering support and guidance to young people age 16- 29 years. The programme will support young people into jobs and training.	Renewal Trust, City College, NDO and Economic Development (NCC) all formed part of the St Anns Working Group.

Key current issues

- Areas of antisocial behaviour is identified through a multi-agency approach at the local Neighbourhood Area Team meetings. The police then include these areas as part of their patrol plans including the installation of deployable 3G CCTV Cameras. If an area continues to be affected by ASB the NAT will continue to work with key partners to plan an holistic approach.
