Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- a) Review the content of the strategy and receive the summary presentation and provide feedback on the strategy and its likely impact

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The Clinical and Community Services Strategy aims to contribute to increasing healthy life expectancy and reducing health inequalities by establishing a new model of care for healthcare services that focuses on prevention and early intervention.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	The strategy has a clear focus on people and places rather than services and organisations. It will drive service reviews that aim to design care around people and communities.
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
	One of the key principles underpinning the

Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	strategy is that mental health and wellbeing will be considered alongside physical health and wellbeing.
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health
The strategy sets out a number of clinical design principles that will underpin the service reviews that it drives. One of these is that mental health and well-being will be considered alongside physical health and wellbeing.
