

## St Ann's Ward Report

## Neighbourhood Nottingham

Priority (NAT, Cllrs)	Progress since last area committee (12 <sup>th</sup> June 2019)	Lead
Tackle levels of fly tip, bins on street, dog fouling	<ul style="list-style-type: none"> <li>• Litter Bins-Cllrs, NDO &amp; Neighbourhood Operations Manager. Review on street bins in the Ward, additional bins funded from Ward Cllr Budget. Bins moved or removed if needed. Litter and Fly tips hotspot identified monthly. Early next year the NAT team are looking to audit the areas of most concern and putting concentrated efforts to educate and enforce where necessary. Anstey Rise residents have request a public Litterbin in or around the green space.</li> <li>• Pete's Shop opp. Alison Walk and Truman Close, litter in these areas seem to have stemmed since the erection of wooden fencing along the Truman side of Alison Walk. Continued developments to tackle ASB in this area has secured funding through NCH to have a new permanent CCTV camera installed. (*See NCH Report). This should assist the Police in identifying potential ASB and offenders in the future and give residents some peace of mind in the vicinity.</li> </ul>	NDO, NCH, SCPO, NOM and NAT
Tackle Illegal and inconsiderate parking across the Ward, prioritising areas for a short and longer-term action.	<ul style="list-style-type: none"> <li>• Parking Enforcement patrols regular hotspot areas in the Ward and a report submitted to every NAT meeting. Hotspots areas reviewed regularly on monthly basis. Latest reports submitted from residents regarding the illegal use of visitors parking permits. Heskey Park and surrounding areas identified as key areas. Curzon Court have reported lack of parking bays for residents. The past month the REACT team have visited the area on a regular basis and have had no reports of any illegal</li> </ul>	Cllrs / Traffic Enforcement/ Traffic Management

	<p>parking. All vehicles have had the appropriate residential permits.</p> <ul style="list-style-type: none"> <li>• St Anns Traffic Audit is now well underway Flewitt Gardens and Abbotsford Drive Schemes are now complete. Phase 4 – Cranmer St and surrounding areas to include Alma and Olga Road and Mapperley’s two additional streets. Consultation is well underway. This is the last of the agreed zones. However, future concentration is planned for individual roads and streets that fall outside of the zones. This phase is part of the works in the Ward to combat any displacement parking and progress with the planned St Anns Traffic Audit agreed in 2016.</li> </ul>	
<p>Ensure the views of local residents assist in priority setting through regular consultation i.e. Public Meetings Ward Walks etc.</p>	<ul style="list-style-type: none"> <li>• Cllrs and NAT partners regularly attend Ward Walks</li> <li>• Cllrs and NAT partners regularly attend Tea &amp; Cake Public Meetings</li> <li>• Cllrs twice weekly Surgeries and weekly Cllr update meetings with the NDO</li> </ul>	<p>NDO, Cllrs and NAT members</p>
<p>Continue with the St Anns Offending Tree Improvement Plan and replant</p>	<ul style="list-style-type: none"> <li>• The St Anns Councillors have created a new list of trees. Tree Services have submitted the quotes for removal and/or pruning. To date Councillors have agreed to the costs of 80% of the list. Expectation is that this list of trees have been either pruned or removed. However, we are still awaiting an update from the Tree Services in terms of a breakdown of spend to date.</li> </ul>	<p>NDO, HPM, Tree Services</p>
<p>Fly tipping update and Banks</p>	<ul style="list-style-type: none"> <li>• The Banks clean up started Monday 29th July 2019 and will continue to be the priority over the forth-coming weeks. Heskey Park banks have been request to cut back due to residents feeling unsafe. Drug dealing reported to be taking place around parts of the area (alleyways in particular). Police have been informed. Following the Public meeting at Olga Court – over 30</li> </ul>	<p>NCH, NOM, CPO, NDO, Cllrs &amp; Respect Priorities</p>

	<p>residents attended, main issues reported are the ongoing fly tipping and the untidy alleyway between Thorneywood Rise and Elgar Gardens. (The alleyway belongs to private properties along Thorneywood Rise) The NDO has add this to a list of possible alleyways. That will have educated leaflet drops and possible clearance with the support of neighbouring residents. CPO are investigating in order to identify the offenders in the area.</p> <ul style="list-style-type: none"> <li>• The residents report nuisance Motorbikes, quad bikes etc. NDO request that the residents monitor and let us have a pattern of what time of day this takes place in order to utilise Police's time better.</li> <li>• This whole area will be part of the Week of Action w/c 28<sup>th</sup> October 2019.</li> </ul>

### Families Nottingham

Priority (NAT and Area Cluster)	Progress since last area committee (12th June 2019)	Lead
Engagement	<p>Meaningful engagement of young people, children and families into community and supported services. The children and Young Peoples partnership have developed a core offer in terms of Holiday provision. Nottingham Forest Trust are looking to work in the ward and will be starting in early Sept 2019</p>	<p>NDO, Cllrs &amp; Other Voluntary &amp; Community Groups</p>
Youth & Young Adults (engagement to services)	<p>The NAT and residents continue to identify hotspot areas where young people, both male and females frequent. In some parts of the ward reports of ASB, which include Noise, fighting and general intimidation and witnessed by residents (most of which are afraid to report). Meetings and plans are already taking place to both tackle incidents involving young people, by working to support with diversionary activity and the Police have increased patrols. Plans are in place to assess the areas environments to consider looking at adjustments and possibly future CCTV and Public Space Protection Order. The NDO, NCH Patch Manager &amp; CPO have delivered leaflets door to door and spoke to many of the residents to both give assurance and for them report incidents by</p>	<p>Young Peoples Specialist and NDO</p> <p>Cllrs</p> <p>Youth Justice Service</p> <p>NCH patch Manager</p> <p>Police</p>

	<p>giving them the contact details for reporting. The NAT Team continue to identify areas in the Ward and give priority for the services to address issues. Walton Ave/Terrace have started to have ASB issues reported again. This happened last year too. The partners are looking at working with STOP T&amp;R Ass to address. The NDO is currently working on an <b>Implementation Plan</b> so that all partners in the area know who, what and where the problem areas are. The plan will be useful in outlining the referral routes too.</p>

**Working Nottingham**

Priority (Area Committee Priority and Area Cluster)	Progress since last area committee (12 <sup>th</sup> June 2019)	Lead
Area 6 employment support	<p>Community Recording Studio (CRS) - As part of the Nottingham Works programme CRS are delivering support and guidance to young people age 16- 29 years. The programme will support young people into jobs and training.</p> <p>City College Jobs &amp; Career Fair Wednesday 7<sup>th</sup> August 2019 12pm till 3pm</p>	Renewal Trust, City College, NDO and Economic Development (NCC) all formed part of the St Anns Working Group.

**Key current issues**

- Reports of antisocial behaviour continue information from residents and partners. A multi-agency approach at the local Neighbourhood Area Team meetings Cllr Ward Walks and Tea & Cake meetings identify the current hotspots for the ward. The police then include these areas as part of their patrol plans including the installation of deployable 3G CCTV Cameras. If an area continues to be affected by ASB the NAT will continue to work with key partners to plan an holistic approach.
