

HEALTH AND WELLBEING BOARD

25 SEPTEMBER 2019

	Report for Information
Title:	Winter preparedness – Seasonal Flu Vaccination Planning for Nottingham City
Lead Board Member(s):	Alison Challenger, Director of Public Health
Author and contact details for further information:	Shade Agboola, Public Health Consultant Shade.agboola@nottinghamcity.gov.uk
Brief summary:	The report provides information on performance of the flu vaccination programme during the last flu season and a summary of initiatives designed to improve uptake for the forthcoming flu season.

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to explore and identify ways to improve uptake amongst all eligible cohorts by considering the discussion points included in the report. Specifically, the board is asked to consider:

1. What member organizations can do to actively promote the flu vaccination programme amongst established eligible cohorts
2. How the HWBB/ICP can support the flu vaccination programme delivered in schools
3. How the HWBB/ICP can ensure that underserved groups are targeted appropriately (people who are homeless or sleep rough, people who misuse substances, asylum seekers Gypsy, traveller and Roma people, people with learning disabilities, young people leaving long-term care).

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	Flu vaccination directly impacts on the health and wellbeing of all children and adults in Nottingham City, especially individuals in the eligible cohorts.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	

Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing
