Summary of issues (including benefits to citizens/service users):			
This report focuses on current priorities and issues facing Basford, Berridge and Sherwood Wards and gives details of forthcoming events and activities. It also highlights the latest issues being addressed through regular Neighbourhood Action Team (NAT) meetings.			
Recommendations:			
1	To note the progress on Ward priorities and other supporting information including the issues being addressed by each Neighbourhood Action Team (appendices 1, 2 and 3), and the current NAT performance data (appendix 4).		

1 REASONS FOR RECOMMENDATIONS

- 1.1 Each Ward has agreed priorities that link to the City Council's current ambitions contained in the latest City Council Plan 2015 - 19. Actions for each priority will be developed and led by appropriate service teams and partnerships. These priorities will be updated for each area committee, taking into account discussions at NAT meetings and various groups and activities involving Councillors, residents and local groups.
- 1.2 The events and activities detailed in the report take account of the work which all NDOs undertake with partner organisations within the wards. It shows a range of activity in place across neighbourhoods to improve social cohesion and tackle priorities at a ward and area level.

2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

- 2.1 Each Ward manages a set of priorities and key issues through regular meetings of the NAT. These meetings are led by Neighbourhood Development Officers (NDOs) and supported by core partners including Nottingham City Homes (NCH), Neighbourhood Policing, Community Protection, Early Help, City Services / Waste Management; Fire and Rescue Services and Health.
- 2.2 Ward Councillors are also invited to participate in these meetings.
- 2.3 Ward priorities are identified and informed from a range of sources including Citizens, Councillors, Partners and Officers and current issues will be updated for each area committee.
- 2.4 Ward Reports also reflect some of the wider area concerns and priorities which have been either addressed previously through area committee or have been developed as part of the Area Cluster reviews. Some of these wider priorities such as health and employment will be taken forward through appropriate area focussed meetings.
- 2.5 The intention is to work towards a Ward Report which is consistent across all City wards.
- 2.6 Area Committee Chairs will be invited to review the latest Ward Reports to ensure that the format is accessible for Councillors and community representatives and there is sufficient consistency across all areas.
- 2.7 The current individual Ward priorities for Basford, Berridge and Sherwood are shown in appendices 1, 2 and 3 respectively and will be updated for each Area Committee.
- 2.8 The ward priorities also make reference to a number of development sites which are listed within the Neighbourhood Regeneration Strategy document – Building a Better Nottingham.
