281 Confidential Minutes - 23 July 2021

The confidential minutes of the meeting on the 23 July 2021 were agreed

282 Situational round up

Lucy Hubber, Director of Public Health gave a situational roundup and highlighted the following information:

- The number of cases of Covid had risen in July, but there had been a reduction in numbers during the beginning of August 2021.
- The highest case rates were amongst the 12-17 year olds; there had been increases across all age groups of cases and in hospitalisation.
- The second highest case rate were amongst 20-29 year olds and efforts were being made to encourage those younger generations to get vaccinated – with both jabs, which offered protection from the virus and significantly reduced symptoms of Covid and the likelihood of hospitalisation from the virus also diminished with the vaccines

283 Local COVID-19 Vaccination Plan Update

There were no further updates needed.

Please note: These minutes are not for publication by virtue of Schedule 12a of the Local Government Act 1972

284 Understanding the impact of COVID-19 on the local Education system

Having presented earlier in the agenda, there were no further updates.
