

Register of interests

Councillor Andrew Rule

This register of interests was published on Thursday, 6th June, 2024, 4.46 pm.

Notification of Disclosable Pecuniary Interests - Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. Your registration of personal interests should be guided by this duty . A person's pecuniary interests are their business interests (for example their employment, trade, profession, contracts, or any company with which they are associated) and wider financial interests they might have (for example trust funds, investments, and assets including land and property) . Remember that most of these apply to your partner as well as to you where you are aware of your partner's interest.

1. I Give Notice that I have the following Disclosable Pecuniary Interests (DPIs) as required by section 30 of the Localism Act 2011, and other interests which I am required to disclose under the City Council's Code of Conduct.
